Bill

The meeting was called to order by Bill Reynolds. The minutes of the previous meeting were read and approved as corrected.

Schlieman moved that Central Board approve the recommendation from Budget and Finance Committee that Mortar Board receive a \$100.00 loan from the general Reserve fund, to be repaid over a period of three months. Nelson seconded. Discussion followed. Such loan is to cover immediate bills which must be paid in order to receive advantage of discount. Motion carried.

Schlieman submitted the following by-law in regard to Freshman elections and moved that such by-law be adopted. Discussion followed, and after correction, by-law reads as follows:

Division I, Article IV, Section V -- "Regularly enrolled Freshman students shall exercise the privilege of voting for the four general ASMSU officers only after they are duly organized; such organization shall include the election of permanent class officers."

Jones seconded; Motion carried. Schlieman read a letter regarding the possibility of the drama department getting theatrical material from an eastern concern for the postage cost only. It was agreed that Heinz should look into the matter.

Reynolds announced that traditions Board had taken a loss of \$10.00 on the Dads Day Luncheon.

Olson submitted financial report for Ray Anthony dance; included in minutes, and reported that the net loss of \$330.49 has been deducted from the total buffer fund of \$456.87, and that \$126.38 remains in that fund. She also suggested that material be included in ASMSU files concerning general social committee activities when engaging a name band for future reference.

Kugler moved that the following recommendation from Publications Board be approved by Central Board: Sentinel Associate Editors: Gene Hoyt, Barbara Pease, and Helen Leubert; Sentinel Photographers: Wilma Ellis, and Robert Cowley; Sentinel Business Manager: Peter Hines, and Sentinel darkroom worker, Peggy Sharwood. Jones seconded; the motion was carried.

Reynolds outlined disadvantages of a campus chest as follows: 1) Solicitation would be compulsory for charity groups, there would be a limited choice for contributors, and competition between groups would be eliminated, 2) One drive would not meet financial needs of the various charity groups, 3) The feeling of humanitarian giving would be eliminated because of lack of direct contact between charity and contributor, and 4) The Red Cross and the National Foundation for Infantile Paralysis would not participate in the campus chest. Advantages of a campus chest would be: 1) Multiple drives would be eliminated, and 2) Duplication of work would be eliminated. Discussion followed. It was decided to hold the matter over until material from NSA be received regarding: 1) Organization and function of campus chest systems as experienced on other campuses, 2) Relative practicability of this type system as compared to a multiple charity drive.

Reynolds reported that a check for \$87.50 has been sent for purchase (postage and storage excluded) for 300 pounds of buffalo meat to be used later day. Reynolds set a tentative Central Board meeting for 4:00 Nov. 12 in order to meet with Mrs. Gladys Mather, WBSF representative.

Schlieman resolved that Central Board pledge support and urge student participation in food drive on campus. Neulin seconded. Motion carried.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Granita Kugler
