CENTRAL BOARD MINUTES
January 17, 1950

The meeting was called to order by Dave Freeman. The minutes of the previous meeting were read and approved.

Freeman presented Helding's recommendation that Carl Smithwick and Peg Trower be appointed to the Student Travel and Publicity Fund Committee. Fox moved that Central Board approve the appointments. Hennessy seconded the motion. Carried.

Freeman announced that ASMSU paid $36 last year for membership in the Missoula Chamber of Commerce instead of the $25 mentioned in the last meeting. Central Board approved payment of the bill for $36.

Kallgren reported back on the green beanie question. He said that Traditions Board is unanimously in favor of continuing the green beanie tradition, that they expect to sell approximately 500 beanies next fall, and that they would like to have a loan of $265 from Central Board. The loan would consist of:

- 357 old beanies @50¢  $178.50
- numerals for old beanies 10.71
- 143 new beanies @53¢  75.79

Fox moved that green beanies be sold on campus for the school year of 1950-51 with the purpose of establishing a tradition. Bergh seconded the motion. Carried. Traditions Board will present the request for the loan to the Budget and Finance Committee Thursday.

Bergh presented the recommendation from Publications Board that Don Graff be appointed as associate editor of the Kairnin. Wohlgenant moved that Central Board approve the recommendation. Fox seconded the motion. Carried.

It was announced that Central Board members are invited to a meeting in the Student Union tomorrow at 7:30 to discuss proposals for a Student Senate.

Considerable discussion followed on the campus chest. Fox moved that Central Board reconsider the motion of November 17, 1949 creating a campus chest at the University because the attitude of non-participation in the chest registered by the Red Cross and the National Foundation for Infantile Paralysis has made the idea of a campus chest impracticable at this time, and that the campus chest proposed in the motion of November 17 be abandoned for this year. Halvorson seconded the motion. Carried.

It was suggested, however, that the chest committee remain active to continue investigation of the chest idea both on this campus and on other campuses. It was also suggested that this problem be brought up for discussion at the Pacific States Presidents' Assn.

The meeting was then adjourned.
