## Montana Football Team Entrains For Big Game At California This Week

Twenty-nine or More Grizzlies Take Trip to Los Angeles Contest; Coach Oakes Hopes to Make Good Showing But Points For Later Games During Season

The Montana Grizzly football squad, after more than a week of practice since the Washington State contest, will leave tomorrow afternoon at 3:10 o'clock for Los Angeles where they will tackle the U. C. L. A. football machine in what promises to be one of the toughest games on the Montana schedule. Twenty-nine players are expected to take the trip, with a possibility that six more may get a chance to see action at Los Angeles.

The team will take its last workout tomorrow afternoon on Dornblaser field, and a rally will be held by students and Grizzly fans on the field. Immediately after the rally, the squad will entrain for Los Angeles via Salt Lake City. They plan to stop at Salt Lake, but there will be no opportunity for the men to drill again until the train brings them to Los Angeles on Friday. Although no definite plans have been outlined, there is a possibility that the team may practice at the Rose Bowl in Pasadena or the Coliseum where the game is to be played.

The Grizzlies have not been very impressive in last week's practice sessions, and the team needs plenty of polish in several departments of the game. Much of the time has been spent during the past week in shaping the passing attack, and teaching different defense for the Uclan offensive. Freshman players have been running U. C. L. A. signals which were obtained by scouts who saw the Uclan-Oregon game.

Coach Oakes and his men are not pointing to this game, but wish to make a good showing at the California city. U. C. L. A. has one of the finest football machines on the coast this fall, and Montana hopes only to show well against the powerful club. The men will not be pointing for a win, but have their eyes set on the coming struggles with Idaho, Montana State and Gonzaga.

Don Holmquist, who was called home just before the Cougar game, is back in the lineup and should give added strength to the Grizzly backfield. Coach Oakes has been drilling his linemen and backs so that they would not repeat the mistakes made during the Cougar game. Leland Story, who was out of the Washington State game due to pulled muscles in his back, may be in shape again for the coming Uclan contest. Most of the injured men who were disabled at Pullman are back in the lineup, and the Grizzlies will miss only Carter as they hit the Los Angeles squad.

U. C. L. A. has been greatly underestimated this year, and, although it lost to Oregon, is still considered one of the most powerful aggregations on the coast this season. The Uclan quartet of Livesay, Spaulding, Cheshire and Frankovich will be one of the hardest combinations to beat this fall, and these four should be dangerous threats to the Grizzlies. They have been playing together for several seasons and present a polished attack.

Those making the trip to Los Angeles will be Anderson, Babich, Blastic, Brandenburg, Carpenter, Carter, Caven, Cogrove, Dickson, Emery, Farnum, Hartsell, Heller, Hileman, Holmquist, Kent, G. Kukka, Newgard, Olson, Pintarell, Rader, Rhinehart, Sayatovich, Sullivan, Story, Vesel, Whittinghill, Wilcox, Zemke, Manager Stotts, Assistant Manager Blair, Trainer L. Kukka, Coach Oakes, Kirk Badgley and possibly Dean J. E. Miller. Others to make the trip may be chosen from Bonawitz, Pickett, Burg, Hansell, Shultz and Potter.

## Clapp Will Attend Meeting in Iowa

President Charles H. Clapp will leave tomorrow afternoon for Ames, Iowa, where he will attend the annual meeting of the National Association of Deans and Directors of Summer sessions. The meeting is scheduled for October 12 and 13.

The session will be of the open forum type, the president's office stated. Problems of curricula and management will be discussed.

Dr. Clapp will return from the conference on either October 14 or 15.

Harriet Freebourne, Corbin Hall, spent the week-end in Butte.

## Sayatovich Thanks Attendants at Hop

Profits of Dance Are to Be Used For Athletic Scholarships

"I wish to thank all the students and members of the faculty who were present at the M club dance last Saturday night," said George Sayatovich president of the M club. "Everyone turned out, showing that they are back of athletics at the university and willing to support affairs sponsored for the benefit of athletics. I fully believe that the mixer was successful, socially and financially."

Financially, the mixer was a success as the gym was well filled and gate receipts totaled more than was expected. All profits will be used for scholarships to freshmen athletes in order to build up the varsity athletic teams.

## Challenge Aggies To No Cosmetic, Hirsute Contest

Traditions Committee Plans Beard Growing Contest Between Grizzlies and Bobcats

State university Traditions committee is awaiting an answer to the beard growing challenge sent to the state college.

If the state college accepts the challenge, the men of both student bodies will not shave until after the annual Grizzly-Bobcat game at Butte, November 10. The co-eds will go without make-up. On November 10, the school with the victorious team will shave and make up their smiling and shining faces. The losing team's supporters will go on as before until Thanksgiving.

Kenneth Duff, A. S. U. M. president, and Lee Metcalfe, chairman of Traditions committee, said that nothing can be planned definitely until they hear from the Traditions committee at Bozeman. If the reply from Bozeman is favorable, the beard growing contest will begin Monday, October 15.

## Dr. Deiss Returns To State University

Instructor Gathers Data For Paper On Rock Structures

Dr. C. F. Deiss, professor of geology at the state university, returned Sunday from Washington, D. C., where he worked during the summer at the National museum and at the Montana bureau of mines and geology, preparing data for a professional paper on primitive forms of life and rock structures. The investigation deals with the scientific basis of the economic development of the state in the future. The paper will appear within about a year and a half, Dr. Deiss said.

The data includes a study of fossils to determine the continuity of rock structure and the age of rocks, and also a study of the primitive forms of invertebrates which are ancestors of modern insects and such forms of life as crabs and lobsters.

Dr. Deiss came to the state university from the University of Michigan in 1928.

## NEW UNIFORMS ARE ORDERED

The military science department has ordered 100 additional uniforms. The uniforms are being tailored at the Quartermaster depot in Philadelphia, and it will be approximately thirty days before the uniforms arrive.

Faye Nimbar, 1934 business manager of the Sentinel, has a position this year as teacher in the Miles City Junior high school.

## Enrollment Figures Show Steady Gain

More Than Sixteen Hundred Enter State University Doors

One thousand, six hundred and fifty-eight students have registered at the state university for the fall quarter, 1934. Figures released at the president's office indicated that the enrollment had broken two former records. The enrollment is the largest in the history of the institution. The increase over the fall quarter, 1933, is 293. That broke the record of 1921 when there were 251 more students than there were in 1920.

The present enrollment is divided between 1,905 men and 653 women. Gross registration of 1931-32 was 1,654. Enrollment for the fall period during the 1931-32 school year was 1,402. The present registration shows an increase of four over the former figure, and 252 over the latter.

## Freshman Men Are Successful In Acting Trials

Ten Winning Candidates Are Divided Into Two Groups For Later Production Casts

Ten freshman men were placed in Group A by Director Barnard W. Hewitt after the men's acting tryouts at the Little Theatre, Thursday, October 4. Although those in Group A "apparently showed more promise" than those in Group B, parts will be found for as many as possible in both groups during the year.

The ten in Group A are James Boyack, Tom Brenner, Gerald Evans, Willis Haskell, Wendell Jones, Sam Parker, Ernest Reed, Dick Stallman, Harry Stockman and Richard Weller. Group B includes Herbert Conrad, Charles Crouse, Henry Dixon, Carl Fuller, Henry Grant, Dayl Graves, George Hanson, Bill Marlon, R. McCann, J. McDowell, Emerson Miller, Will H. Olson, Stratford Peterson, Ellsworth Price, David Stewart, Richard Thompson, Dan Wells and John Williams.

Almost half of the names in these two groups appear in the casts of the three one-act plays to be presented at the Little Theatre October 18 and 19. (These dates are tentative).

## Rifle Range Opens Soon for Students

Prospective Team Members Practice On Tuesdays and Thursdays

Beginning Thursday, October 11, the R. O. T. C. rifle range will be open for individual practice from 2:15 to 4 o'clock on Tuesday and Thursday afternoons of each week.

Any student who has completed a basic course in marksmanship will be permitted to fire. Students must furnish their own .22 calibre long rifle ammunition.

"These practice periods will enable the prospective team shots to get some much needed practice before the regular team tryouts," Captain A. E. Rothermich of the military science department stated yesterday.

## Pharmacy School To Observe Week

Students Will Inspect Drug Stores On Tenth Anniversary

The tenth annual observance of National pharmacy week will be held on the state university campus, from October 8 to 13. The purpose of the observance is to encourage pharmacy students to greater professional activity and to bring the profession to the attention of the public.

Thursday afternoon from 3 to 5 o'clock, instructors outside of the pharmacy school may excuse classes when students of the pharmacy school will visit the drug stores of Missoula. Preceding the inspection tour the Pharmacy club will hold a meeting in Science hall.

The state university pharmacy school has observed pharmacy week since 1925. This year's commemoration will be marked throughout the United States by radio talks, newspaper articles and before civic clubs.

## Independents Will Gather For Meeting

Freshman Delegates to Be Elected For Governing Council Of Group

Independent students in the state university will gather at a mass meeting to be held at the Little Theatre tomorrow afternoon at 4 o'clock. Election of freshman representatives to the Independent council will be the main business.

Vivian Bower, Tarkio, who was elected president of the organization last spring, will conduct the meeting. "We plan the meeting to be more of a get-together than anything else," Miss Bower said. "We were encouraged last year by the results of Varsity Vovvil, by the swimming meet, and by the track meet. We expect to do better because we feel that we are stronger than we were last year."

The mass meeting will be followed by a meeting of the council, which will make plans for this quarter. Among important Independent activities is a dance to be held probably early in November.

Miss Bower said that since the first meeting of the group is extremely important, Independent students should try to attend.

The Barb organization was begun during the spring of 1931 for the purpose of affording the non-Greeks of the campus a chance for social entertainment; notably dances and an annual picnic. A governing body is composed of a man and woman delegate from each class and four delegates-at-large. A chairman is chosen by the board from their number but the organization as a whole has no president.

Dances and an annual picnic have been furnished at an average cost of 121-2 cents a person by the quarterly sale of Independent activity fee tickets which are sold for 50 cents apiece and allow the holder and date to all Barb functions of that quarter. Two dances are usually held per term.

The organization is not anti-fraternity.

## Hewitt Chooses Casts of Autumn Term One-Acts

Many Freshman Actors Win Parts For Masquer Production This Month

Casts of the three one-act plays, tentative dates of which are October 18 and 19, were announced by Director Barnard W. Hewitt. A large number of freshmen received roles.

The first play, "Gloria Mundi," a melodrama by Patricia Brown, has been cast as follows: Miss Jebb, Luella Head; Robert Cartwell, Tom Brenner; Virginia Blake; Eleanor Miller; Mrs. Farnsworth, Rosalba Gore; Mr. Lloyd, Roger Clapp; Miss Dunn, Maybelle Erickson. Orville Skones is coaching the play.

"The Double Demon," a farce comedy by A. P. Herbert includes in the cast: foreman, Helen Anne Meloy; first juror, Mildred McDonald; second juror, Maxine Fowler; third juror, Erma Heinemeyer; fourth juror, Elizabeth Gray; fifth juror, Ada Forsythe; sixth juror, Margaret Oranhood; seventh juror, Edna Peterson; eighth juror, Margaret Carpenter; ninth juror, Lucy Handly; tenth juror, Cella Caffin; eleventh juror, Gene Manis; usher, Harry Stockman. The coach of "The Double Demon" cast is Marion Erickson.

Lord Dunsany's Oriental play, "The Golden Doom," has the following members in the cast: first sentry, Wendell Jones; second sentry, Willis Haskell; boy, George Nink; girl, Margaret Hendrickson; stranger, Dan Wells; king, Gerald Evans; first prophet, James Boyack; second prophet, Frank Stanton; chief, Tom Campbell; chamberlain, Tom Ogle; first spy, Manzer Griswold; second spy, Dick Stallman; third spy, Dick Weller; attendants, Henry Dixon, Richard Thompson and Carl Fuller. Robert Bates directs this play.

Betty Kelleher, '34, is teaching in the Denton high school, Denton, Montana.

Bob Leslie and Mike Kennedy were week-end guests at the Phi Sigma Kappa house.

## Cast Is Announced For Masquer Play

Comedy By Howard to Be Presented As Major Production

"The Late Christopher Bean," a comedy in three acts by Sidney Howard, to be presented by the Montana Masquers of the state university at the Little Theatre November 7, 8 and 9, has been cast by Director Barnard W. Hewitt. Rehearsals started Monday, October 8.

Members of the cast are Dr. Haggett, David Duncan, Billings; Susan Haggett, Pearl Johnson, Harlowton; Abby, Pamela Fergus, Arnelis; Mrs. Haggett, Ossia Taylor, Missoula; Ada Haggett, Joan Morrison, Missoula; Warren Creamer, Orville Skones, Missoula; Tallant, Melvin Maury, Miles City; Rosen, Kai Heiberg, Missoula; Davenport, Ernest Reed, Missoula.

## Rally Honors Grid Squad Wednesday

Two O'clock Classes to Convene At 2:20, Permitting Students To Meet on Field

Grizzly football fans and students of the state university will congregate on Dornblaser field tomorrow afternoon at 2 o'clock for a send-off rally centering around the Grizzly football squad as it prepares to leave for Los Angeles. The students, led by the Grizzly band, will rally until 2:20 o'clock at which time they will return to their classes.

Permission has been granted by President C. H. Clapp to hold the rally providing the students return to their classes immediately after the program has been completed.

The football team will leave tomorrow at 3:10 o'clock on the North Coast Limited, and the rally will be held while the team is practicing on the field before its departure.

The program will be under the direction of Kenneth Duff, A. S. U. M. president, and Neil Helly, cheer leader. Yells and songs will feature the rally with the Grizzly band playing school songs. Due to the short time allotted for the rally, no other features will be used in the program.

President Duff has issued a call for student support in making the rally a success, and he has urged that everyone be present at the rally. Students are asked to be in the bleachers as soon after 2 o'clock as possible as there will not be much time in which to hold the rally.

## Rooting Section Is to Be Tried At Mines Game

Freshmen Are to Form Nucleus Of Group; Glee Club Singing May Be Heard at Game

A rooting section patterned after those of the larger colleges is the aim of the Traditions committee. It will be placed in the bleachers on the east side of Dornblaser field with a seating capacity of approximately 350 in the main section.

Tentative plans call for all freshmen to compose the rooting section and as many upperclassmen as wish. Everyone in the rooting section will be required to wear varsity caps. The rooting section will be organized in such a way that the members will be able to make various designs and names by the use of colored cards.

Dean DeLoss Smith of the music school is arranging to have the glee club sing with the band.

A finished exhibition is desired for the Idaho game, October 27. The system will be tried at the game with the School of Mines, October 20.

## HUNTING PARTY RETURNS

Bill Whitehead, George DeVoe, Bob Higham and Hal Stearns spent the week-end at the Brunns ranch near Polson. The group hunted ducks at the DeVoe camp on Flathead lake Sunday and returned that evening.

Katherine Harrington, who was graduated with a B.A. degree in English in 1931, visited in Missoula during the week-end with her two brothers, Peter and John Harrington.

## Deans' Council Expects To Employ 260 Students During Autumn Quarter

One Hundred Thirty FERA Workers Earn \$1,196 in One Week; Timekeeper Reports October Payroll Will Total \$2,355; Freshmen and Others to Be Selected

"Share the work" is the policy of the Deans' council with regard to FERA employment at the state university. The council, which is now selecting those students who will receive aid during October, expects to help 260 students this quarter, giving them a total of \$2,355, during each of the months of October, November and December. Already 130 students have earned \$1,196 for work during the last week of September.

These figures were contained in a report made yesterday by Philip Roberts, FERA timekeeper. Definite announcement that the October total would be \$2,355 was contained in a letter received from W. J. Butler, state administrator of relief, Monday.

Roberts said that more people would be employed under the new arrangement and that a strong attempt was being made to fit students to their FERA jobs. The total of 260 students will be employed throughout the quarter, and once their positions are fixed, changes will be few. New applications will be considered, Roberts said, but no wholesale revisions are planned.

The number of students who will be employed is a tremendous increase over last year. This increase has been brought about both by an increased allotment and a slashing of the average pay check. The average pay will be approximately ten dollars monthly. While the Deans' council remained at work sifting the applications from which it still must pick 130 October workers, 130 others began work. This group was composed of former students.

Announcement of the other 130 successful applicants is expected daily. This group is composed of freshmen and other students not enrolled here in January, 1934.

"We are assigning everyone at once," Roberts said. "We are waiting purposely so that we may select certain students to fit certain jobs. We are checking with the departments to find out if the new employees are doing well. If they are not, we will try to find something else. We want to get away from the idea of the job misfitting the student."

Roberts pointed out that most students are using their pay to meet deferred registration fees. In order to take care of those students who are not assigned work during the early part of the quarter, the FERA office will take care also of off-plot and short-time jobs to which it may assign applicants.

The new FERA policy is in contrast to the policy of last year, when turn-overs occurred monthly. Those who are employed now will work throughout the quarter, others being added as the Deans' council sees fit to do so.

Roberts' report for September gave a detailed summary of the work done (Continued on Page Two)

Referees for this fall are Don Holloway and Bill Wagner. These men have been selected by the minor sports managers.

The full schedule for this fall has not yet been completed but will be after this week's games are played. The schedule for this week is as follows:

Sigma Nu vs. Delta Sigma Lambda, October 9; Alpha Tau Omega vs. Phi Sigma Kappa, October 9; Independents vs. Sigma Phi Epsilon, October 10; Alpha Tau Omega vs. Sigma Nu, October 10; Sigma Chi vs. Delta Sigma Lambda, October 11; Phi Delta Theta vs. Sigma Alpha Epsilon, October 11; Phi Sigma Kappa vs. Independents, October 12; Sigma Alpha Epsilon vs. Sigma Phi Epsilon, October 12; Phi Delta Theta vs. Sigma Nu, 10 o'clock, October 13; Alpha Omega vs. Sigma Chi, 10 o'clock, October 13; Independents vs. Sigma Nu, 11 o'clock, October 13; Delta Sigma Lambda vs. Phi Sigma Kappa, 11 o'clock, October 13.

Future schedules will be announced on the bulletin board in the men's gymnasium and in the Kalmin.

## Arnoldson to Begin Series of Readings

Selections From Early and Modern French Writings Chosen

Dr. Louise Arnoldson, associate professor of modern languages, will give a series of French readings, the first of which will be given tonight at 8:30 o'clock. These readings will be given on alternate Tuesdays. On other Tuesdays, she will continue her series of travel talks in English on "Glimpses of France."

George Neff, '37, has returned from Chicago where he saw the World's Fair and visited with relatives.

## University Women Plan Fall Program

Riflery, Hockey, Swimming Contests Will Be Held Soon

The co-eds of the state university will have a busy fall quarter of competition in various sports. Among those in which competition will be offered are riflery, hockey and swimming.

In riflery, the women will be coached by Captain A. E. Rothermich. They will compete by telegraphic reports with most of the coast schools. In hockey, there will be inter-class competition with schedules arranged by the Women's Athletic Association, which also arranges schedules in inter-class and intersorority swimming meets.

The riflery and hockey will be the first sports this fall, with the swimming to follow in the latter part of fall quarter.

Mrs. Frank Cooney, wife of the governor of Montana, visited in Missoula during the week-end. With her were Virginia Cooney, who was graduated from the state university last spring, and Mr. and Mrs. Jack Hughes. Mrs. Hughes is the former Merlie Cooney.

Professor Paul Bischoff returned from a hunting trip the Bitter Root valley Friday with ten ducks.

### A WORD ABOUT INTRAMURALS

Most of the college spirit and publicity of student recreations are built around the varsity sports which most colleges and universities maintain, but few of us really stop to think about the offers for recreation and training which are offered here at the state university in the way of intramural sports and class athletics. Here is a program which is not limited to the few fortunates who are possessed of the necessary strength and ability that go together to make varsity caliber.

The state university has three major sports and several minor sports, which offer training and recreation to a limited number of men. These men participate in most of the sports, and coaches must use these men in order to build a winning team. However, for those of us who are not able to participate in football, basketball or track, the school maintains a complete schedule of sports so that we may benefit physically and mentally. These sports, which are included in the intramural schedule, are open to countless numbers of men and women here at the state university. The fall season ushers in touch football, swimming and other sports, while winter and spring quarters carry their quota of athletics. All that is required of the students is that they show a little interest in the program and support it by participation and backing.

Last year, more than seven hundred students at the state university were benefitted by the intramural program during the year. But at times, the interest shown was not enough to warrant the maintenance of these sports. A few teams were organized, but several schedules were closed when these teams either failed to show up or disbanded. Such incidents as these make the men in charge of intramural sports wonder whether the students are interested in this type of athletics.

Not all of us can be great athletes or win the coveted M, which is emblematic of having won a letter in a major sport, but all of us need a certain amount of athletic training to keep us fit for school work. The school maintains a compulsory system of freshman and sophomore athletic training, but upperclassmen are left to shift for themselves. The advantages are there for them, but they can take them or leave them as they wish.

## Society

### SOCIAL CALENDAR

Friday, October 12

Sigma Alpha Epsilon ..... Fireside  
Sigma Chi ..... Fireside  
Delta Sigma Lambda ..... Fireside  
Delta Gamma ..... Fireside

Saturday, October 13

Kappa Alpha Theta ..... Fireside

The social calendar for this week-end includes firesides to be given by Kappa Alpha Theta, Delta Gamma, Sigma Alpha Epsilon and Sigma Chi social groups. Each of these events will be held at the respective chapter houses, except that of Sigma Alpha Epsilon. Chaparons have not as yet been selected and will be announced at a later date.

Bob Mound, Gordon Hickman, Clayton Weingartner and Alexander Blewett, Sr., were Sunday guests at the Sigma Alpha Epsilon house.

Alpha Chi Omega announces the pledging of Mary Anderson, Circle.

Members of the faculty and representatives from each sorority and fraternity were guests at a tea given Sunday for Mrs. N. S. Hubbard, the new Alpha Chi Omega house mother.

Sigma Alpha Epsilon announces the pledging of Bob Mound.

Alpha Delta Pi announces the pledging of Edith Peterson, Glasgow.

Bud Sannon was a Friday dinner guest at the Alpha Tau Omega house.

Sunday dinner guests at the Alpha Tau Omega house were Fred Graves, Mat Calvert, Kenneth Claig, B. Posten and Henry Hilling.

Alpha Tau Omega announces the pledging of Henry Hilling and Fred Graves.

Alpha Xi Delta gave a buffet supper Sunday for their pledges.

Hazel Borders of Bozeman is living at the Kappa Delta house.

The members of Alpha Xi Delta

were hostesses Saturday evening at a shower given in honor of Juanita Armour Kent.

Kappa Alpha Theta held formal pledging for Jackie Shepherd Sunday morning.

Dinner guests at the Kappa Alpha Theta house Sunday were Evelyn Mordahl, Genevieve Clary, Jean Martinson and Marie O'Connor.

Dorothy Knight spent the week-end at her home in Phillipsburg.

Catherine Brunns was a Saturday dinner guest at the Sigma Alpha Epsilon house.

Doris McMahon, Arlee, was a week-end guest at the Sigma Kappa house.

Dinner guests at the Kappa Kappa Gamma house Sunday were Ruth Polleys, Betty Ann Polleys, Margaret Lucy and Miriam Barnhill.

Bob Erwin, Tom Hartwig and Waldron Beger spent the week-end at their homes in Dillon.

Delta Sigma Lambda held formal pledging Sunday morning for the following: Ben Berg, Livingston; Don Freeman, Bear Creek; Wilbur Hardy, Huntley; Bill Homer, Bear Creek; Lorin Hutchison, Rochester, N. Y.; Bill Ogg, Missoula; Clarence Parsons, Harlowton; Bern Pfunder, Ames, Iowa; Foster Polly, Ronan; John Ranney, San Diego, Calif.; John Seidensticker, Twin Bridges; Don Smart, Harlowton; Paul Snyder, Granton, Wis.; Carl Spetz, Whitehall; Carl Turnquist, Gold Creek; Gerald Mer-

rick, Livingston; Bob Young, Livingston; Dean Doak, Twin Bridges, and Harry Robinson, Livingston.

Thursday dinner guests at the Delta Sigma Lambda house were Wayne Miller, Orville Skones and Cliff Nord.

Delta Sigma Lambda held initiation Monday night for Wayne Estes and Welby George.

Delta Delta Delta announces the pledging of Mary Henderson, Drummond; Kathryn Albee, Deer Lodge; Mona Kerruish, Deer Lodge, and Alvira Cortes, Los Angeles.

Formal pledging was held at the

## Officials Will Try To Increase Work

(Continued from Page One)

during the short period during which  
FERA aid was carried on. The Deans'  
council selected 145 students for work.  
Of these, seven refused work, one  
dropped school and seven did not re-  
port for work. The total figure of 130  
who worked during the month was  
composed of 25 freshmen, 37 sopho-  
mores, 33 juniors, 34 seniors and one  
graduate student.

Seventy-three of these students were  
partially self-supporting and 57, or  
43.9 per cent were entirely self-sup-  
porting, carrying on both FERA work  
and outside jobs. A maximum of  
thirty hours weekly is allowed and  
during September 60 per cent of the  
employees reached their maximum.

The minimum salary for September  
was \$1.05, the maximum \$12 and the  
average \$9.21.

Roberts' report disclosed that the  
total paid FERA employees in the  
Registrar's office was \$382.54. This  
was the highest figure of any depart-  
ment in the state university. The low-  
est figure was \$6.30 in the Health de-  
partment. The departments benefitted  
by 3,752 hours and 50 minutes of work  
done during the month by FERA labor.

Of the 130 employed, 42 students  
worked in their major departments.  
The Deans' council and Roberts are  
gratified, Roberts said, that this figure  
reaches 32.3 per cent of the total, since  
the policy of placing students in their  
own departments gives them further  
experiences along the lines they have  
chosen.

## Varsity Track Prospects Show Strength in Some Departments This Year

**Sprint Events Are Strongest With Captain Peden, Duff, Robertson And Others Leading; Distance Runs and Jumps Are Well Taken Care of By Veterans**

With most of the distance men now working out for the prospective cross-country run at the Butte game, and many of the track veterans back on the campus, prospects for a winning track team look good. The sprints should be well taken care of with numerous able runners

on hand to glean points where other events may lose them. Captain Roy Peden is thinking of the cinders again seriously and is a strong menace to the state century record set by Russell Sweet. Peden tied Sweet's record in both the 100- and 220-yard dashes last year and tied the conference record for the 220, holding the conference record for the furlong when run on a curve. At the National Intercollegiate meet in Los Angeles last June, Peden ran fourth in his heat, being eliminated by the first three place winners in the finals. Peden also runs a quarter slightly under fifty seconds.

### Experienced Sprinters

Ken Duff, Monte Robertson, Gene Davis and Bob O'Malley are all sprinters of experience. Duff changed to the quarter last year because of pulled muscles which prevented his running the shorter and faster sprints. Robertson has been clocked under 10 seconds in the century on several occasions and runs the furlong in winning time. Gene Davis starred for Missoula high and as a member of the Cub team beat Gene Garner of the state college in both the 100- and 220-yard dashes in an exhibition contest. O'Malley won state-wide recognition as a sprinter for Butte in 1933 when he set state records of 9.8 seconds in the century and 21.7 in the furlong.

Competition will be plentiful in the quarter, as many of ability will try for that event. Walter LaDue, junior college transfer, has turned in some very good times in competition and Duff has proved himself a winner on several occasions. Peden, Robertson, Davis and O'Malley have all turned in excellent times in the quarter and, although sprinters, will furnish strong competition to Jack Preston and Jack Price. Bob Rutherford, although a low hurdler, has run the quarter in good time as has Ben Taylor who usually turns his attention to the middle and distance runs.

### Strong in Distances

A half dozen experienced half-milers appear to try for that event. Ben Taylor, first place winner in both the mile and half mile runs at Idaho last year, is back to fight for his place on the team with Jack Rose, numeral winner in three distance runs last year, and Al Vadhelm, numeral winner in the half last year. Mel Maury, point winner with the Grizzlies in 1933, and Bill Wagner, who placed in the half in the 1932 Interscholastic, are others who will figure.

Maury, Rose and Taylor also run the mile and will be accompanied around the track by Hal Stearns, Lloyd Bernhardt, Doug Williams and Gaylord Barnhill. Few appear for the two-mile grind, Rose being the best bet while Maury and Bernhardt may run.

### Good in Jumps

The pole vault should prove the source of a good many points with such able men as Stein, who has vaulted nearly 13 feet on several occasions; McArthur, who has vaulted 12 feet 6 inches often; Harold Duffy, letterman from 1933, and John Gravelle, numeral winner last year. The high jump should be well cared for with such

capable men as Walcott, who qualified for his numeral in 1933 and was the university champion that year; McArthur, numeral winner last year; Wamsley, also a last year's numeral winner; Seldon Frisbie of varsity experience, and Henry Worden taking part.

Several broad-jumpers of experience are enrolled for school, Rhinehart and Robertson being the two most experienced, both having earned two varsity letters in that event. They will be offered competition by Doug Ferris, who qualified for his numeral last year, and by Fred Mills who earned his letter in 1933, but who will be ineligible this year as he attended school in the East last year.

### Field Events Strong

Although the javelin will have to be thrown by sophomores almost entirely, Don Holmquist and Elwin Walcott should do their share towards point winning.

Don Holmquist holds the district record at Whitefish in that event while Walcott has thrown winning distances several times in practice, winning for the freshmen in 1933 in the interclass meet that year. Seldon Frisbie and Don Holloway are also javelin tossers of experience.

The weights face a shortage of experienced men although there are several men with possibilities on the campus. Don Carter and John Previs are both men of experience, Carter having thrown the shot past the state record several times and nearing the record for the discus on occasion. Roy Babich and George Sayatovich both have possibilities as discus throwers although neither has had varsity experience.

### Hurdles Scarcely

The hurdles present a problem as only one man of experience in each race is eligible. Both Gene Davis, high hurdler, and Bob Rutherford, low hurdler, earned their letters last year.

Tomorrow, the Grizzlies will depart for Los Angeles to make an effort to hold the U. C. L. A. gridders in tow. U. C. L. A. has a powerful attack which will take all Montana has to stop.

The Uclan's offense is built around Bill Spaulding, Jr., and "Pants" Live-say. Both of these boys are capable of running, blocking and kicking. Wilton Wilton is the mainstay of the kicking crew. He was acknowledged as the best kicker on the coast last year.

Gonzaga and Idaho supplied the outstanding game in the northwest Saturday. The Bulldogs were ahead, 13-7, at the end of the first quarter. Idaho, faced by such an onslaught, refused to yield. They kept plugging until they drew up on Gonzaga. The final score was Gonzaga, 24, Idaho 20.

The two clubs are exceptionally strong and should win many games. Montana plays Idaho here October 27, and Gonzaga on Thanksgiving day. Both squads are traditional rivals of Montana.

but there are no other experienced men present in either event.

"Prospects look quite bright for a successful year of track right now," said Coach Harry Adams, "but I am afraid that grade point fatalities will be high. We have plenty of good material, but our closest rival, Idaho, had a strong team last year as well as a strong freshmen team. I cannot feel sure of anything yet, except that there is a good possibility of having a good relay squad, both for sprint relays and longer contests."

Idaho has a distinct advantage in the number of games won. Of the 20 games played, Idaho has won 16, Montana three, and one game ended in a tie. In the series with Gonzaga, Montana has won six, Gonzaga, seven and three have ended in ties.

Our old friends, the Aggies, seem to have an exceptional team. Saturday saw them hold the highly-touted Utah Aggies to a close 6-0 victory. The week previous, the Utah team defeated Denver university, 19-0. Denver won the conference championship last year.

For the last few nights, the fresh gridders have been making it plenty tough for the varsity. The yearlings have the strongest lineup in many years. Among the outstanding players are Czahach, Popovich, Noyes, Sagin, Flynn, Bolton, Smart, Carpenter and Robbins.

Grizzlies will have the new opportunity to display their new jerseys at Los Angeles Saturday. The new outfits differ from the old in that there

# FOOTBALL HISTORY OF MONTANA TEAMS REVIEWED BY KAIMIN

By Harold Stearns

Editor's Note—This is the second of a series of articles reviewing the history of Montana's football teams. The next installment will appear in an early issue.

The season of 1906 opened with the largest squad since Montana's entrance into intercollegiate competition. Between 25 and 30 stalwarts averaging 155 pounds reported for practice under the direction of Professor Schule and after a month's drill succeeded in trampling the Fort Shaw Indians, 32-6. It was a case of brains against brawn as the Indians had no coach.

Washington State tackled the Copper, Silver and Gold in the season's second encounter and won, 5-0. Montana was outwitted by the giant Cougars. McNamara at center was the game sensation, consistently felling a 200-pound rival. The varsity held for several downs on the four-yard line before finally yielding a touchdown. The following week saw a gigantic Spokane Athletic club squad walloped 11-0 before a big Missoula crowd. McPhail and Ambrose were too fast for the visiting Goliaths and crossed the touchdown stripe for scores with Craig kicking goal.

Evidently the fruits of victory tasted too sweet for the touring Montanans

played miserably at Salt Lake and were trampled into the mud, 42-0, by the University of Utah. The Salt Lake whitewashing rid the varsity of a lot of ideas about invincibility and Utah State which was a far stronger outfit than the university was held to a 17-6 win. Montana led 6-0 at the half and played better football throughout but was definitely outclassed.

Ex-Missoula collegians challenged the state university to a Thanksgiving day game and were promptly taken up. The ex-collegians' defense was well-nigh invincible and triumphed 8-0 over faster, snappier play. Montana was several times within striking distance of the goal but the eight points rolled up by the opposition in the first two minutes of play proved to be a decisive margin.

## Season of 1907

Professor Findlay succeeded Schule as coach of athletics and a triumphant season was anticipated by Montana rooters. Findlay had been a member of the all-western football team.

Only five experienced players returned to school and up to the time of the first game with Montana Wesleyan, scarcely more than one team had appeared for practice. But by means of strenuous coaching, enough football was drilled into the heads of the eleven to enable them to send the Helena club home smarting under a 62-0 defeat. Thirty men turned out for football the following week, evidently stimulated by the overwhelming success and by the time the Fort Shaw Indians invaded the town, Findlay's charges were good enough to flog the Redskins, 28-0.

October 18 brought sorrow and desolation into the Montana camp, Washington State proving too potent a machine for the three-weeks old eleven. The Pullman bruisers won, 35-0, but the defeat did wonders insofar as instilling a never-say-die spirit in the university gridsters.

Montana School of Mines was beaten for the first time by a university eleven the next week, 12-0. The varsity's superior speed and all around better football knowledge proved triumphant over sheer weight. The November 2 game with the Spokane Athletic club was a miserable fiasco in every way except that Montana won, 12-0. The state championship was clinched a week later when the Miners were held to a 0-0 tie on a Butte field. To quote from an ancient Kaimin, "It has long been our well-founded belief that a fair clean contest in Butte is an impossibility. This game, however, changed this opinion for it was featured by faultless decisions and clean playing."

Two more games had been arranged, one with Willamette university at Salem, Oregon, and another with Pacific Grove university at Portland, but both were called off for unexplained reasons. The season of 1907 marked the beginning of the custom of awarding varsity sweaters with the Missoula Mercantile, D. J. Donohue, Gannon and McLeod, C. H. Marsh, Howard Spa, Martin Company, F. C. Stoddard company, and Golden Rule Store represented as generous donors. Eligibility rules governing the awarding of an M provided that a man must have

played at least three full halves. Only two men of the fifteen award winners were scheduled to graduate and prospects looked most promising for 1908.

Interesting notes derived from delving in the Kaimin files include: "The Universities of Idaho, Washington and Oregon are trying to form an athletic conference which will arrange all schedules and bar freshmen from competition."

"The recent defeat of St. Louis university by Washington State college is more of a victory than the score would indicate. The game played on a muddy field is claimed by the Easterners to be an unfair test of their ability. This is the first time the East and West have met in football but it certainly will not be the last. Western athletics are not recognized in the East and certainly will not be until the West proves its ability by winning more games like the one on Christmas day."

(To Be Continued).

## SOCIETY—CONT.

nuson, Helena; Raymond T. Nagle, Helena; George Martin, Butte, and Dr. T. C. Spaulding, Missoula.

Phi Sigma Kappa announces the pledging of Walter Keithley and Norman Anderson.

Mrs. O. M. Judy, Delta Gamma housemother, was entertained at an informal tea Friday afternoon.

A buffet supper, commemorating the seventieth Founder's Day anniversary of Alpha Phi, will be held at the chapter house, Thursday evening, October 11.

Catherine Coughlin, Butte, was a guest at the Delta Gamma house.

Formal pledging was held at the Alpha Phi house for Evelyn Hanson, Mary Ann Amundson, Forsyth, and Edna Peterson, Great Falls. Margaret Leigland, Nadine Whitford, Great Falls; Maxine Janes, Culbertson, and Phyllis Holmes, Missoula, were repledged.

Formal pledging followed by a breakfast was held at the Delta Delta Delta house Sunday morning.

Delta Delta Delta will have a buffet supper at the chapter house Tuesday evening. Guests are to be Margaret Oradood, Eileen Sinton, Betty Eiselein and Helen Steele.

Ethel Mae Kahl, Maude Evelyn Lehou and Carrie Leyson were dinner guests at the Alpha Phi house Sunday. Mrs. L. R. Packard, Whitehall, was a Saturday guest at the Delta Delta Delta house.

Phi Sigma Kappa Mother's club met at the chapter house Friday afternoon. Alpha Phi pledges were entertained

## St. Louis Little Theatre Contest Prizes Declared

Residents of United States Eligible  
For Competition Which  
Ends November 15

The Little Theatre of St. Louis, Mo., announces its Fourth Annual National Play-writing competition, open to any resident of the United States.

A first prize of \$250 will be awarded the play selected by the judges. Two production prizes of \$100 each will be awarded to two other plays provided the judges consider them worthy of being produced, and the Little Theatre of St. Louis produces them.

No play which has been previously produced will be eligible for competition, and all plays submitted must be accompanied by a statement that they are free of any prior contract for production. The competition closes November 15, 1934. Manuscripts posted up to midnight of November 15, 1934, will be accepted.

The judges of the contest will consist of the director and members of the play-reading committee of the Little Theatre of St. Louis.

The last annual award was given to Robert Wallsten or New York for his play "Tom Jones."

at an informal open house tea dance Sunday afternoon from 3 to 6 o'clock. Music was furnished by Nat Allen. Mrs. Maude C. Betterton presided at the tea table.

Ann Carey was a Saturday night dinner guest at the Delta Gamma house.

Willard Miller, Kalispell, was a week-end guest at the Phi Sigma Kappa house.

Miriam Barnhill, '33, who is now teaching in Choteau, was a week-end visitor at the Kappa Kappa Gamma house.

Betty Foot, Helena, was a week-end guest at the Delta Delta Delta house.
