CENTRAL BOARD MINUTES
April 4, 1950

The meeting was called to order by John Helding. The minutes of the
previous meeting were read and approved.

The matter of the PSPA convention was brought up again. Fox said the
convention last year was definitely worthwhile and provided many new
ideas and solutions. After some discussion the matter was tabled
until next week when Fox will submit a more complete report and
Helding will outline the expenses.

Forrest Paulson, chairman of the Outside Entertainment Committee,
was present to ask that Central Board renew the contract made with
the Community Concert Committee for student seats. Fox moved that
Central Board renew the contract with the Community Concert Committee
for 1400 seats for $4200. Wohlgenant seconded the motion. Carried.

During the discussion Paulson suggested that the student season
ticket price be raised from $1.00 to $1.50, and it was the consensus
that the program should not receive more than 4.8 percent of the
ASMSU budget.

Mr. McCullom, manager of the Student golf course, was present to discuss
the maintenance of the University golf course. He said that the
minimum amount necessary to keep the course going until the end of
the school year would be $400. He suggested that the course be
closed during the summer session this year due to lack of irrigation.
He also mentioned that a portable aluminum irrigation system can be
put in complete for about $8000. and that the course could be fixed
up and ready to go for a total of about $13000.

After some discussion it was decided that Fox will see Sarsfield
about whether the physical education department might aid in the
program, and it will be brought up again next week.

Helding read the recommendation from Athletic Board that Central
Board decide whether riflery should be kept as a minor sport and not
included in the budget or whether it should be discontinued as a
minor sport. Athletic Board said it wishes to encourage the activity
but feels that it cannot at present support riflery in the light of
the financial situation; it suggested that if riflery is kept as a
minor sport it should be under the Athletic Department. Helding
asked the members to secure student opinion on the question and a
decision will be made next week.

Freeman read a letter from Jim Murphy, president of the senior class,
asking for $110. for senior week expenses. Freeman moved that Central
Board underwrite the senior class to the amount of $110. for senior
week expenses. Wunderlich seconded the motion. Carried.

LeRoy Hinze asked approval of Gene Kallgren as business manager of the
"Barber of Seville". Freeman moved that Kallgren be approved.
Fox seconded the motion. Carried.

Dick Carstensen, Aber Day manager, was present to discuss tentative
plans. He stated that the meat cost $358. last year and the program
will probably run over $500. this year again. Central Board expressed
itself in favor of a program similar to last year's program.

The meeting was then adjourned.
