EPILEPSY BOARD TO MEET WEDNESDAY

MISSOULA--

The Western Montana Epilepsy Association's Board of Directors will meet at 7:30 p.m. Wednesday, Feb. 5, in room 210 of St. Patrick Hospital.

Michael M. McCarthy, a student at the University of Montana, who is WMEA President, said those attending Wednesday's meeting will discuss provisional affiliation of the WMEA chapter with the Epilepsy Foundation of America.

McCarthy said more than 1,000 regional residents will be afflicted by some form of epilepsy during their lifetimes. About 20 UM students are known to experience some form of epileptic seizures, he said.
