CENTRAL BOARD MINUTES
April 18, 1949

The meeting was called to order by the vice-president, and the minutes of the previous meeting read and approved.

Wohlgenant made the motion that in regard to the secrecy of the names of persons filing petitions for office, that Article 7, section 6, be interpreted as to permit the Kaimin or any other publication to publish the names of petitioners either before or after filing date if the information is secured through any channels other than official organizations. Further interpretations of the clause will be that the official list of candidates is not determined until validated by Central Board between April 7 and 17th. Freeman seconded the motion and the motion passed.

Lucas made the motion that the recommendation submitted to president Mueller to have the affiliation of the candidates printed on the Abert Day ballot be approved by Central Board. McCleod seconded the motion, and after much discussion, the motion failed to pass.

Jack O'Loughlin reported that Athletic department would like Central Board to grant them about $200 for the continuance of their program since out of the original $612 grant $457 has already been spent on football and basketball. Lucas moved that Central Board approve the request for a $200 appropriation to be transferred from the General fund to the Intramural department to allow effective continuance of the program. McCleod seconded the motion, and the motion passed.

Morrison read the names of students submitting petitions for ASMSU and class offices. Freeman moved that Laura Bergh's name be stricken from the ballot because of ineligibility for office as she will still be a Central Board member next year. McCleod seconded the motion, and the motion passed.

Fox moved that the petitioners for ASMSU and class offices as read by Morrison be approved with the exception of Miss Bergh and Joe Estes and Bob Cope who are subject to further review by Central Board because of the uncertainty as to the necessary credits to qualify for the offices they wish to be a candidate for. Lucas seconded the motion, and the motion passed.

A special meeting of Central Board will be held tomorrow to consider the eligibility of these men.

Morrison read the names of petitioners for store board. Freeman moved that Central Board leave the eligibility of store board candidates up to store board as their qualifications in their constitution differ slightly from ASMSU qualifications. Lucas seconded the motion and the motion passed.

The meeting was adjourned.
