ENVIRONMENTAL SLIDE SHOW  
IS THURSDAY AT UNIVERSITY

MISSOULA--

Thomas M. Ulik, a graduate student in botany at the University of Montana, will present an environmental slide show at 7 p.m. Thursday, May 22, in room 215 of the UM Women's Center.

Ulik's presentation will include slides from two projectors, blended to provide the effect of motion. Tony Acerrano, vice president of the UM Wildlife Society, sponsor of the presentation, said the show will be set to a mixture of classical, folk and rock music.

The program is open to the public without charge.
