5 RECEIVE BERNICE A. GLEED SCHOLARSHIPS

MISSOULA, Mont.--

Bernice A. Gleed Scholarships totaling \$2,400 have been awarded to three University of Montana alumni and two UM students who will be seniors this fall. The awards are for medically related studies at UM or other schools.

Raymond L. Thomas, Missoula, who received a bachelor's degree in 1969 at DePauw University, Greencastle, Ind., and recently completed basic premedical science studies at UM, received a \$650 Gleed award for first-year medical studies at Montana State University, Bozeman, under the WAMI medical program headquartered at the University of Washington, Seattle.

Jay D. Schmauch, Missoula, who was awarded a bachelor's degree in the premedical sciences with honors at UM in June, received a \$550 Gleed Scholarship to continue his medically related studies at UM this fall.

Another Gleed award recipient, Christopher C. Shields, Missoula, received a \$450 scholarship and will enter the University of Colorado School of Medicine, Denver, this fall. Shields received a bachelor's degree in premedical sciences with high honors in June at UM.

Steven W. Helland, Glasgow, and Susan Martha Larsson, St. Ignatius, who will be seniors in the premedical sciences this fall at UM, received \$450 and \$300 Gleed awards, respectively, for study during the 1975-76 academic year.

The Gleed awards were established on the Missoula campus in 1972. The late Mrs. Gleed, a resident of Reno, Nev., who attended the University from 1945-48, bequeathed \$50,000 to the UM Foundation in 1969 to establish the scholarship fund in her name for University students majoring in premedical sciences or UM graduates continuing their medical studies at other schools.

Besides establishing the Bernice A. Gleed Scholarship Fund at UM, Mrs. Gleed also bequeathed \$5,000 to the Alpha Phi sorority chapter at UM in 1969 to enable chapter members to obtain loans for sorority dues and school tuition.
