The meeting was called to order by the president, Jerry Anderson, and the minutes of the January 21 meeting were read and approved as corrected. Paragraph five on page one of the minutes was changed to read as follows:

Morrow moved that Central Board allow the band to take $500. from the band fund to buy a sousaphone providing there is $500. in the band fund. Briggs seconded, and the motion passed.

Anderson appointed Morrow to check on the band trip to Butte with Kirk Badgely and see how much was spent.

Anderson installed Martin Farris as Freshman Delegate to Central Board.

Brown moved that Central Board authorize KGVO to broadcast the Grizzly-Bobcat series on a sustaining basis. Hanley seconded, and the motion passed. Badgely agreed to handle the cost of installing a line from Main Hall to the University Gym from the Athletic Board Budget.

Morrow moved that the By-law concerning payment of the Kaimin Editor and Business Manager adopted on November 26 be amended as follows:

Morrow moved that the By-law concerning payment of the Kaimin Editor and Business Manager adopted on November 26 be amended as follows:

The Editor of the Montana Kaimin is to receive $35. per month for an eight month period, beginning the first of October, and the Business Manager of the Kaimin is to receive $25. per month for a nine month period beginning the fifteenth of September and ending the fifteenth of June, in lieu of all other compensations. The Kaimin is authorized to employ such student help as necessary for the distribution of the Kaimin, the rates to be established by prevailing student scales, and this motion supercedes the arrangement as approved on March 28, 1946, for payment of the circulation manager. This payment will come out of the Montana Kaimin budget.

Tabaracci seconded, and the motion passed.

Since the social calendar is filled for this quarter, it was decided to bring to the campus a named band sometime in spring quarter.

A representative of the Band Club asked for an appropriation of $70. to buy emblems for the band members who have played three quarters in the band. As Central Board does not appropriate money to clubs, this money could be taken out of the band budget and it was suggested that the band send Central Board a recommendation for a new amendment for a band award.

The meeting was adjourned.
