MISSOULA--

A total of 1,123 University of Montana students are listed on the autumn quarter 1970 honor roll, including 245 students who earned straight A's.

The total of 1,123 students represents 13 per cent of the autumn quarter gross enrollment, which reached 8,511 on the Missoula campus.

Grading is on a 4.0 or straight-A basis at UM.

To be eligible for the honor roll, a student must have either a minimum of 54 grade points with an index of 3.0 or B, or a minimum of 42 grade points with an index of 3.5 or B-plus. No student is eligible for the honor roll at the University if he has a grade of F on his current record.

A list of the 245 students who received straight A's for the autumn quarter follows. The students are listed by hometowns within Montana and out-of-state, respectively.
