CENTRAL BOARD MINUTES
MARCH 11, 1947

The meeting was called to order by the Business Manager, Bill Hinrichs, and the minutes of the March 4 meeting were read and approved.

Morris McCollum stated that he had been approached by a private person to lease an ASMSU building on the golf course to be used as a store and meat market. Since many students have expressed the desire to play golf he said this building should be kept free for a club house. Action on this request was postponed until next meeting. Hinrichs appointed the following committee to meet with President McCain to get his reaction on this question and also of the students living in the strip houses: Don Kern, chairman, Mary Morrow, and Martin Farris.

Brown moved that Central Board approve the Publications Board’s recommendation that Vic Reinemer and Judson Moore be appointed to the positions of Editor and Business Manager of the Kaimin for spring and fall quarters of 1947 and winter quarter of 1948. Farris seconded, and the motion passed.

Brown moved that Central Board appoint Ray Loman to act as head of the World Student Service Fund Drive with the assistance of Mary Morrow to lay the ground work for the organization of this drive. Tabaracci seconded, and the motion passed.

Brown stated there will be three rooms available for the Will Osborne dance and if the demand warrants it all three will be opened for dancing.

Farris moved that Central Board table any action on the Community Concerts until next meeting and have the committee meet with Dean Crowder and Anne Fraser. Kern seconded, and the motion did not pass with the vote of two in favor and seven opposed.

Brown moved that Central Board authorize ASMSU entering into a comparable arrangement with the Community Concert Association as this year, providing that we have representation in choosing the program for next year. Hanley seconded, and the motion passed.

Hanley moved that Central Board authorize the auditing office to pay $4,200. from other ASMSU resources to the Community Concert Association pending receipt of the complete budget appropriation. Tabaracci seconded and the motion passed.

Central Board tabled the appointment of an Aber Day manager until next meeting.

Mr. Smith of the English Department presented a plan to have the Roxy Theater show pictures recalled by the students at special showings. No action will be taken until next meeting.

The meeting was adjourned.
