CAREY TO REPRESENT
MENC DIVISION
AT WASHINGTON CONFERENCE

MISSOULA--

Donald A. Carey, assistant professor of music at the University of Montana, will represent the Northwest Division of the Music Educators National Conference from Feb. 13-16 in Washington, D.C.

As MENC Northwest Division student member chairman, Carey will represent the 40 MENC student chapters throughout the division.

Carey said the conference will include planning student activity and involvement in the national organization.

"Since the profession of music education has given top priority to student-oriented projects," Carey said, "we want to lay the groundwork for as many meaningful experiences as possible for these young musician-educators."
