The meeting was called to order by the president, and the minutes of the January 23 and January 24 meetings were read and approved.

Joyce Phillips, Joe Beck, June Saunders Burns, and Agnes Raegan were appointed to the committee appointed at the January 24 meeting to study the distribution of the Student Activity fee and to prepare a questionnaire to be submitted to the students. The results of the questionnaire should be in by March 1.

John Crowder visited the meeting and discussed the arrangements for the Community Concert programs for 1946-47. As the 800 seats customarily reserved for students in previous years will be inadequate with the increased enrollment, the Community Concert Association has suggested the alternative of having a double performance of Community Concert programs. Under this arrangement, ASMSU would be obligated to buy 1400 seats which would cost $3450, exclusive of tax. This problem was referred to the questionnaire committee appointed at the January 24 meeting, and is to be included in the questionnaire to be submitted to the students.

Meeting adjourned.
