The meeting was called to order by the president, Jane Jeffers.

Brome read a wire from Frederick's Brothers Agency, Hollywood, stating that Gus Arnheim could be here May 30 for $600. Davis moved that Central Board underwrite $600 to the Social Committee for the appearance of Gus Arnheim on May 30, 1946. Murphey seconded, and the motion passed. Jeffers appointed Brome as chairman of this dance since her term of office as Social Chairman would be up by that time of the dance.

Mr. Percy Newton, representing the Josten Jewelry Company, Owatonna, Minnesota, approached Central Board with various samples of class rings for colleges in the United States. These rings, Mr. Newton stated, are only for those students of each college who have a certain number of credits which provide them with the status of senior. Among these samples was an enclosure of a sketch of a tentative style of official class ring for MSU seniors and alumni. Oster moved that Central Board tentatively accept the MSU official class ring design submitted and that the Josten Jewelry Company be given sole official jeweler's manufacturers rights for five years beginning with the class of 1947; also with the understanding that this board shall, at some future date, establish eligibility for purchase. Floyd seconded, and the motion carried.

Davis moved that Central Board appropriate $25 to the band for the purchase of music for entertainment at the track meet on the night of May 16. Floyd seconded, and the motion carried.

Central Board checked all petitions for ASMSU and class offices. All were in order except that of Bruce Hanson which was ruled out since Hanson does not have credits enough to hold the office he was seeking. Also, Marion McAllister's petition was handed in a day late but was accepted by the board members. Davis moved that Central Board accept all petitions with the exception of that of Bruce Hanson for reasons of lack of credits. Floyd seconded, and the motion carried.

Meeting adjourned.
