8,552 STUDENTS ENROLL
AT UM SO FAR; ALMOST
9,000 EXPECTED

MISSOULA--

Enrollment at the University of Montana reached 8,552 by the end of the first day of late registration Monday (Sept. 27), and based on that figure Registrar Wayne C. Woolston said he expects almost 9,000 students for fall quarter.

The figure of 8,552 students through Monday represents an increase of 436, up 5.3 per cent compared with the 8,116 enrolled on the Missoula campus at this time a year ago.

Woolston said some University students are still carrying their registration packets around with them. He said a total enrollment count will be impossible until all students complete registration procedures.

Late registration for fall quarter ends at 5 p.m. Wednesday (Sept. 29) at UM.
