The meeting was called to order by the President, Jerry Anderson.

Anderson announced that the Student Union Executive Committee has discussed the possibilities of buying a new Student Union Building or the remodeling of the present one. He also stated that there was a possibility of selling the present building to the University to be made over into a Business Administration Building. Since the cost of remodeling the present building would be so high, it might be better to sell and build a new student union the way we want it. The Student Union Executive Committee will meet with the University officials this Wednesday to discuss the selling of the building and no action can be taken until after this meeting.

Golder stated that Traditions Board would finance the dinners for the Junior Varsity football team at the football banquet which is sponsored by the Montana Athletic Association and is to be held at the Florence Hotel on Wednesday December 18 with the understanding that Central Board would reimburse Traditions Board.

Golder announced that he would ask the high school band to play for the basketball games during the holidays. He also announced that Traditions Board would sponsor an Inter-Fraternity Song contest during winter quarter.

The meeting was adjourned.
