GRIZZLY-BOBCAT FANS TO MEET  
SATURDAY AFTER FOOTBALL CLASH

MISSOULA--

Alumni, students and friends of the University of Montana, Missoula, and Montana State University, Bozeman, will have a combined get-together near Bozeman following Saturday's (Nov. 7) annual football clash between the two schools on MSU's Gatton Field.

The Grizzly-Bobcat gathering will begin immediately following the game at the Cart-wheel, located at Four Corners, the junction of Highways 191 and 289, six miles west of Bozeman.

George Oechsli (pronounced Oxlee), executive director of the UM Alumni Association, said he expects a big crowd at the informal gathering following the game.

"We expect a large turnout of Grizzly and Bobcat fans for the informal gathering," Oechsli said. "It will be an excellent time to renew old acquaintances."

The kickoff for the game is set for 1:30 p.m. MST Saturday.
