Course description: An overview of the description, interpretation, and evaluation of visual art as practiced in the discipline of art criticism. Both traditional and postmodern critical approaches to art will be considered with an emphasis on contemporary art criticism. Students will read a range of past and present art critics and write several examples of art criticism based on direct observation of contemporary art works.

Learning Objectives:

- Develop improved observation and analysis of art
- Comprehend and use various interpretive perspectives
- Develop aesthetic evaluative criteria and apply them to contemporary art
- Become familiar with contemporary artists and art works through first-hand viewing and careful reading of art criticism
- Improve communication skills through writing brief responses to weekly questions and three 3-5 page papers

Required text: Terry Barrett, *Criticizing Art, Understanding the Contemporary*, 3rd edition, McGraw-Hill, 2012.
