CENTRAL BOARD MINUTES  
January 11, 1944

President Cuthbert called the meeting to order and the minutes of the January 4th meeting were read and approved.

Sybil Wright, representing the Spurs, requested Central Board's approval of an advance for the purchase of defense stamps for sale on the campus. Pearson moved that Central Board underwrite an advance from the General Accounting Office to the Spurs for $25 in defense stamps. Plumb seconded the motion and it carried. The Spurs were instructed to devise an efficient system for handling the sale of the stamps.

President Cuthbert reported that $220.29 was collected at "Memories on Parade" for the National Foundation for Infantile Paralysis. The Missoula chapter of the Infantile Paralysis association has asked that ninety per cent of this amount be contributed to the local fund. Cuthbert said that he will invite a representative of the local committee to come to the next Central Board meeting to present their financial report and to discuss the matter with the Board.

Cuthbert also read a letter from Mr. Bus, Assistant Professor of Journalism, requesting Central Board's approval of the presentation of "service" certificates to members of the Kaimin staff in recognition of their service to the University. It was suggested that this idea could be effectively extended to other activities on the campus, and Cuthbert will discuss this with Mr. Bus before the next meeting.

Meeting Adjourned.

Barbara Warden,  
Secretary

Present: Cuthbert, Pearson, Luebben, Kinkade, Harrison, Thompson, Hanson, Plumb, Murphy, Warden, Badgley, Briggs, Castle, Wright.
