EPILEPSY MATERIALS TO BE DISTRIBUTED
DURING NOVEMBER, NATIONAL EPILEPSY MONTH

MISSOULA--

Brochures and other materials dealing with epilepsy as a physical condition will be distributed during November at the University of Montana Student Health Service and at the Missoula County Health Department in the County Courthouse, according to Michael M. McCarthy, president of the Western Montana Epilepsy Association (WMEA).

McCarthy, a UM student who also works in conjunction with activities of the Epilepsy and Student Project (ESP) at the University, said November was selected as primary distribution time for the informative materials because it is National Epilepsy Month.

Several meetings are scheduled during November by the WMEA and by ESP, which is composed of University students.

McCarthy said additional information about the meetings and printed materials may be obtained by phoning Robert T. Hendrickson, ESP president, at 728-5799, or McCarthy at 549-8106.
