CENTRAL BOARD MINUTES

Oct. 3, 1944

President Lou Burdick called the meeting to order and the minutes of the May 23, 1944 were dispensed with. Burdick suggested that a cadet from the Army Specialized Training Reserve Program be appointed to Central Board. He explained how active the cadets were during the summer session, also they pay Student Union fees, Ten dollars a term--\$6.00 for haircuts, \$2.38 for activities, and \$1.52 for Student Union. These figures were taken from the summer session. Burdick said Maj. Misevic would help to work out a plan whereby the cadets would be full paying members. Badgley explained that because they are registered students, by paying the activity fee, they are eligible to have a representative.

Briggs suggested that a by-law be added to the constitution. Kinkade moved the following by-law be passed-----

Since the Army Specialized Training Reserve Program on the Montana State University campus for the academic year, 1944-45, is a part of the regular University training, the following by-law is enacted: Members of the A.S.T.R.P. unit on the campus shall become active members of A.S.M.S.U. upon payment of the activity fee, the amount of which shall be agreed upon between A.S.M.S.U. and the commandant of the unit. Dillavou seconded and the motion carried.

The possibility of holding an election in the near future to vote on the amendment to the constitution and elect a new vice-president, senior class president, senior class secretary, senior delegate to Central Board, and junior class secretary was discussed. The question was raised whether to hold the election and allow the cadets to vote or have the election first then allow them full participation within military restriction. The by-law will not become operative until some agreement is reached.

Dillavou moved we hold an election to vote on the proposed constitutional amendment to allow the A.S.T.R.P or similar unit on the campus a student representative on Central Board with voting power. Bakke seconded and the motion carried.

Bakke asked that the Budget and Finance Committee be permitted to submit a recommendation to the board in regard to having a Sentinel this year.

Meeting adjourned.
