Central Board Minutes  
January 19, 1943

President MacLeod called the meeting to order, and the minutes were read and approved.

Delaney moved that the Board underwrite the purchase of war stamps, up to the sum of $150, by the Student War Activities Commission. Wedin seconded and the motion was carried.

Delaney moved that the Board authorize Minor Sports Board to draw up a set of rules governing intra-mural sports—the rules to be approved by Central Board and published in the M-book from year to year.

President Melby reported to Publications and Central Boards, meeting jointly, on the financial problems of the Kairnin. At the end of fall quarter, he said, the cost of two issues had to be taken from the journalism budget. The Kairnin can be dealt with in three ways, he said. It could be subsidized, eliminated, or cut to fit the budget. Dr. Melby suggested that an advisory committee be appointed to deal with the financial problems of the Kairnin (and all other ASMSU publications) as a means of protecting the University and the School of Journalism. It would be up to such an advisory committee to see what could best be done.

President MacLeod appointed Ray Fenton, chairman, Ray Wise, Aline Mosby and Kirk Badgley as a committee to investigate the status of Publications Board to see if such an advisory group could be incorporated into it.
