ENROLLMENT UP 69 SPRING QUARTER;
NUMBER OF WOMEN UP 280, MEN DOWN 211

MISSOULA--

A total of 7,834 students registered through Tuesday (April 3) for 1973 spring quarter at the University of Montana, Missoula, an increase of 69--about 1 per cent--compared with the 7,765 who had enrolled at UM through the fifth week of spring classes last year. The 1973 spring quarter began March 27.

The University Registrar's Office reports a gain of about 10 per cent in enrollment of women this quarter. A total of 2,981 women had enrolled for spring classes through Tuesday, an increase of 280 compared with the 2,701 women who enrolled at UM through the first five weeks of spring quarter 1972.

Figures from the UM Registrar's Office indicate there are fewer men enrolled at the University so far this spring compared with a year ago. A total of 4,853 men enrolled at UM through Tuesday, a decrease of 211--about 4 per cent--compared with the 5,064 men enrolled through the fifth week of classes for the 1972 spring quarter.
