Central Board Minutes
October 1, 1942

President MacLeod called the meeting to order and the minutes were read and corrected.

Nadler made a motion that the board make some compensation to those qualifying for, but who did not receive, a 1942 Sentinel. Wise seconded and the motion carried.

Wise moved that the Board authorize the business manager, Harry Hesser, to buy second-hand 1942 Sentinels in good condition and to pay up to \$3 for them to satisfy students entitled to, but not receiving books. Should there be any books available, preference would be given to graduating seniors of 1942 and to men called to the services. Gulbrandson seconded, and the motion carried.

President MacLeod asked the special Sentinel committee to prepare a report on the amount that would be refunded to individual students for whom yearbooks were unobtainable.

There being no further business, the meeting adjourned.
