HUGH SCHAEFER TO DISCUSS
CURRENT LEGAL PROBLEMS
IN ENVIRONMENTAL LAW FRIDAY

MISSOULA--

Dr. Hugh V. Schaefer, visiting associate professor of law at the University of Montana, will discuss "Some Current Legal Problems in Environmental Law" as keynote speaker Friday (May 4) in the UM Department of Botany's Environmental Seminar Series.

Friday's program, which is open to the public without charge, will begin at 12:10 p.m. in room 307 of the UM Natural Science Building.

"The spring quarter series is emphasizing new approaches, such as ethical, legal, economic and technical, to solutions of environmental problems," said Dr. Meyer Chessin, UM botany professor, who is coordinator of the seminar series.
