'ARTFORUM' EDITOR
TO LECTURE AT UM THURSDAY

MISSOULA--

John Coplans, editor of "Artforum" magazine, will present a free public lecture on contemporary art Thursday (May 10) at the University of Montana.

The lecture is sponsored by the UM School of Fine Arts and Department of Art. The program will begin at 8 p.m. Thursday in room 131 of the UM Science Complex.

Coplans' lecture will be based on art questions submitted by the faculty and students of the UM art department.

Questions will include: "Which artists and movements have rendered most poetically the idea of revolution as a pleasure and virtue?", "What role do you see for contemporary ritual in the visual arts?" and "By what process are articles selected for publication, and who is involved in this process?"
