'ABER DAY' WEDNESDAY AT UNIVERSITY
TO FEATURE CAMPUS CLEAN-UP ACTIVITIES,
BUFFALO FEED, AND MUSIC

MISSOULA--

Campus clean-up activities, a buffalo feed and music by the University of Montana Jazz Workshop will be among the highlights of "Aber Day 1973" on Wednesday (May 16) at UM.

Although it is not officially a part of the campus clean-up, the "Second Annual Library Kegger" to raise money for the purchase of UM Library books also will be held on Wednesday beginning at 2 p.m. at Bonner Flats east of Missoula. The kegger is being sponsored by the University Liquid Assets Corporation, a group composed of University students.

Steve Owens, a UM junior from Deer Lodge, who is Aber Day Committee chairman, said Aber Day clean-up activities by University students and faculty members will begin at 8:30 a.m. and continue until 11:30 a.m. Wednesday.

UM President Robert T. Pantzer recently proclaimed that Aber Day will be a holiday from classes to enable interested students, faculty and staff members to participate in the cleanup and other activities. University offices will be open as usual Wednesday.

Owens said the buffalo feed will begin at 11:30 a.m. Wednesday in the University Oval.

"The lunch in the Oval, which is for University students, faculty and staff members, also will feature corn-on-the-cob, beef and watermelon," Owens said. "The UM Jazz Workshop, under the direction of UM music instructor Lance Boyd, will perform during the luncheon."

The University Campus Recreation Department will sponsor a Frisbee Derby and other activities during the luncheon.

Finals of the 54th annual Aber Memorial Oratorical Contest will be held at 1 p.m. Wednesday in the University Center.

Pantzer and seven other UM administrators will carve and serve the buffalo during the luncheon. Those assisting Pantzer will be Dr. Richard G. Landini, UM academic vice president; George L. Mitchell, administrative vice president; Dr. Norman E. Taylor, vice president^{of}/research; Dr. Richard A. Solberg, dean of the UM College of Arts and Sciences; Dr. Rudyard B. Goode, dean of the UM School of Business Administration; Dr. Warren J. Brier, dean of the UM School of Journalism and Dr. Robert L. Van Horne, dean of the UM School of Pharmacy.

Owens said about 270 kegs of beer have been reserved for the kegger, and at least six bands will play during the library book fund event at Bonner Flats.

Donation for participating in the kegger will be \$2 per person and 25-cent bus transportation will be available to those who need rides to the kegger site at Bonner Flats, according to Kathy Root, a member of the University Liquid Assets Corporation.
