Central Board Minutes
December 8, 1942

The meeting was called to order and the minutes were read and approved.

President MacLeod reported that the Student War Activities Commission will work on the basis of three points: 1) to investigate what the University should do in war activities; 2) to instigate and coordinate such activities; and 3) to keep them going.

Chairman Buzzetti of the committee reported that the committee to date has concerned itself only with seeing what has already been done or what should be done in war bond and stamp sales on the campus and with determining methods of campus sale.

The Board, as representative of the student body, voted to dispense with lighting of an outdoor Christmas tree this year because of the war.

There being no further business, the meeting was adjourned.
