FOR IMMEDIATE RELEASE

UM FORESTRY DEAN NAMED TO
NATURAL RESOURCE PANEL

Dr. Arnold W. Bolle, dean of the University of Montana School of Forestry, has accepted an invitation to serve on the Panel on Natural Resource Science of the National Academy of Sciences' Research Council, according to Russell B. Stevens, executive secretary for the NAS-NRC.

The Panel is part of the Commission on Educational Policy in Agriculture and Natural Resources, chaired by Lloyd E. Partain of the Soil Conservation Service.

The aims of the Commission, achievement of which the Panel is intended to facilitate, are to study, evaluate and suggest improvement of education of agricultural students and curricula in agricultural schools, as well as the "agricultural" education of all students, Dean Bolle said.
