FOR IMMEDIATE RELEASE

DR. BOKE TO PRESENT  
BOTANY LECTURES

Dr. Norman H. Boke, research professor with the department of botany at the University of Oklahoma, will present a public lecture on the University of Montana campus, sponsored by the American Institute of Biological Sciences, according to Dr. LeRoy H. Harvey, UM professor of botany.

Dr. Boke will speak on "Cactus--American's Contribution to the World of Bizarre Plants" on Monday, February 28, at 8 p.m., in LA 11. He will present a seminar on "Shoot Development in Vascular Plants" at 4 p.m. on Tuesday, March 1, in NS 307.

He will be available on Monday afternoon and Tuesday morning and early afternoon for consultation with interested faculty and students.
