April 9, 1940

The meeting was called to order by President Pantzer. The minutes of the meeting of April 2 were read and approved.

Mr. McGinnis requested that Debate and Oratory be given $75 from their appropriation for next year to enable them to go to the state meet at Billings and to the Dillon Meet. After much discussion Carter Williams made a motion that Central Board appropriate from the General Fund to Debate and Oratory $50 to be used to take the Debate squad to the State tournament at Billings. It is understood that this sum is to be a loan to Debate and Oratory and will be repaid to the General Fund from the budget appropriation to Debate and Oratory for the year 1940-41. Sally Hopkins seconded the motion and all but three being in favor, the motion carried.

Jack Emigh requested $150 to be used to sent the Track relay team to either the Drake Relay or the Colorado Relay on April 26 and 27. After discussion, action on this matter was tabled.

President Pantzer read a recommendation from Publications Committee regarding the revision of the organization of the Sentinel Staff. Marcus Bourke made a motion that Central Board adopt the recommendation of Publications Committee regarding the Sentinel Staff, eliminating the office of Business Manager and providing for the appointment of three assistant editors. Walter Elliot seconded and the motion was carried.

A motion was made, seconded and carried for adjournment.
