JANE BRICK'S THESIS EXHIBIT
TO OPEN FEB. 29 IN UC GALLERY

MISSOULA--

A student thesis exhibit of ceramic works by Jane Brick will be on display from Feb. 29 through March 5 in the University Center (UC) Gallery at the University of Montana.

Brick, who is slated to receive her master of arts degree at UM in March, will show about a dozen of her recent ceramic works.

She said the exhibit will feature multi-piece forms, some of them functional ceramics, fired by using an ancient Japanese method called "raku."

Brick, 25, from Laredo, Mo., received a bachelor of arts degree at Northwest Missouri State University, Maryville, Mo., in 1973. She enrolled for graduate work at Idaho State University before coming to UM last year.

The opening reception for Brick's exhibit will be held at 7 p.m. Sunday, Feb. 29, in the UC Gallery. The gallery is open from 9 a.m. - 3 p.m. weekdays, and from 7 - 9 p.m. Sunday through Thursday.
