April 24, 1940

The meeting was called to order by President Pantzer. The minutes of the meeting of April 16 were read and corrected.

The discussion concerning the appointment of the Sentinel Editor for the coming year was opened by Norman Hanson who spoke in behalf of Bill Howerton. Members of the board asked questions concerning his qualifications. Burke Thompson outlined briefly the work of the business department of the Sentinel and told of Bill Howerton's activities in this department. He answered questions for the board members. Carter Williams made a motion that Central vote by written ballot on the office of Sentinel Editor. Bill Lueck seconded the motion and it was carried. The vote was six to three in favor of Walt Millar.

President Pantzer brought up the situation in the case of the office of Chairman of the Student Reserve Fund Corporation for which Dale Galles was the only candidate. Eight names each receiving one vote were written in on the Aber Day ballots. According to the constitution names may be written in and the student receiving the highest number has his name placed on the final ballot. Kirk Badgley made a motion that President Pantzer and Catherine Berg canvas these students to see if they will accept the appointment by lot and that these two in the presence of Mr. Briggs draw lots for the nomination: if the students are not willing, that all the names be placed on the ballot. Dr. Shallenberger seconded and the motion was carried.

It was suggested that an amendment concerning this situation be drawn up for voting in the final election but action on this was tabled until next meeting.

A motion was made, seconded and carried for adjournment.
