MISSOULA--

Programs for unserved handicapped children, bright and gifted children and the educationally handicapped will be included in the 1976 state convention of the Montana Federation Council for Exceptional Children in April at the University of Montana in Missoula. The convention will be Friday and Saturday, April 2-3, in the University Center.

Speakers from various parts of the U.S. who are involved in education, including those in exemplary programs from Montana, will focus their discussions on the convention theme, "Regular Education, Special Education and Administration."

Many areas involving the education of exceptional children, including parental involvement, will be included in the program.

Subjects covered during the two-day meeting will include "Special Olympics"; "Preschool Program: Serving the Unserved Handicapped"; elementary, secondary and administrative programs; "Preschool Program: Smile Early Program," and others.

Additional information and the preregistration forms may be obtained from the convention coordinator, Dr. Robert B. Duncan, assistant professor of education at UM. His office is room 120 of the Liberal Arts Building, University of Montana, Missoula, Mont. 59801. Interested persons also may phone 243-4974.
