December 3, 1940

The meeting was called to order by Vice President Joan Kennard. Minutes for the meeting of November 26 were read and approved.

Joan received a letter from the University of British Columbia about putting on a dance for the British Red Cross. This dance is to be set at one certain date for all universities and colleges throughout the United States. The letter will be brought to the next meeting.

Greene received a letter (attached) from Charlobelle Button in regard to A.W.S. using the A.S.M.S.U. office. Shallenberger suggested an investigation concerning office space as there is a lack of it. Price moved that A.W.S. officers have use of the A.S.M.S.U. offices, priority being given to A.S.M.S.U. officers. Kennard seconded it and the motion carried.

Price suggested that all committee chairmen should submit a quarterly report. A more complete filing system was discussed. Christenson mentioned that something to the effect of thorough record keeping by committee chairmen should be put in the by-laws. Christenson was asked to investigate this matter and draw up an addition to the by-laws.

Greene appointed Mrs. Smith, Mr. Lester, Ruth Harrison, and Marcus Bourke on a committee to choose songs for the song book. Mrs. Smith and Mr. Lester are very busy until Christmas so not a great deal of work will be done until next quarter. Bourke was appointed chairman.

Greene reported that Mrs. Smith feels students do not have enough contact with university songs and that something should be done about school spirit and having more singing in dormitories, fraternities and sororities. Shallenberger moved that Central Board accept the committee appointed by Greene for song investigation and selection. Price seconded it and the motion was carried.

A letter was received from Governor Ayers acknowledging receipt of our letter of protest concerning the unions.

A wire was received from Sam Crawford, booking agent for a band, in regard to having their band play here December 20. Greene wired him that we would not want the band at that time as it is the day after vacation begins.

Greene will write the British Relief about a donation, as per meeting of November 26.
Athletic Board's discussion of inter-sorority and inter-fraternity singing at basketball games was brought up, and the sentiment that it is not being appreciated by townspeople. If possible, we should try to get some other entertainment between halves. Lueck said Interfraternity has been talking about more members of the houses participating. Greene spoke to Kujich who agreed that the singing is getting old. The yell team is going to work up something.

Part of the Athletic program expenses come from gate receipts so they are naturally interested in making a real show out of basketball games in order to have a large attendance. Kujich's work on Traditions Board is usually over with the football season and it was suggested that he continue his work through the basketball season.

On the suggestion of Athletic Board, Price moved that Central Board recommend to Traditions Board that the inter-fraternity and inter-sorority sings not be used at basketball intermissions, with the possible exception of finals in the contests, and that they seek other suitable entertainment. Shallenberger seconded it and the motion carried.

There being no further business, the meeting adjourned.
