'ANOTHER DAM FOR THE KOOTENAI'
IS THURSDAY FORUM TOPIC AT UM

MISSOULA--

A free public forum on the topic, "Another Dam for the Kootenai," will be presented by the Libby Rod and Gun Club at 8 p.m. Thursday, May 6, in the University Center (UC) Lounge at the University of Montana.

Thursday's program, which will feature Stuart W. Swensen of Maurer Reality, Libby, as guest speaker, is being sponsored by UC Programming Services.

The Libby Rod and Gun Club and a number of interested citizens have been attempting to block additional large-scale development on the Kootenai River in northwest Montana. Gun club members claim 50 miles of the U.S. portion of the Kootenai River have been lost because of construction of the Libby Dam.
