The meeting was called to order and presided over by Vice-President June Paulson in the absence of the president.

The minutes of the meeting of January 11 and of the special meeting of January 14 were read and approved.

A letter from Giltner reminding Central Board of his request last quarter for the appropriation of money for student publicity was read. Badgley reported that he and Chambers had studied the budget and that if all expenditures provided for in the budget were made, the student funds for the year would be used up, with the possibility of an overdraft. Shallenberger moved that Giltner’s request be referred to Carl Chambers, Business Manager, for study and a second check of the budget to see if any expenditures can be reduced, and that Chambers be requested to report to Central Board after the re-examination. Pantzer seconded. Motion carried.

Grace Johnson presented estimated budget for a proposed combined band and glee club trip to be made by 36 members of the band and 24 members of the glee club. Since, with so many making the trip, it would be too expensive to reach the eastern part of the state, it was decided to ask the glee club to present plans for the best trip possible on $600, taking in eastern Montana.

John Alexander suggested that he write to the state heads of the Musicians' Union regarding the decision of the local union, and if this ruling could be reversed that ASMSU sponsor the all-school show. It was suggested that Alexander, as a student, write the state council to see if they would reverse the decision of the local union.

Suggested that Nan Shoemaker refer her request to borrow one of the "Rhythm Rhapsodies" costumes to Chambers.

Adjournment.
