The meeting was called to order by President Peter Murphy, who presided. The minutes of the previous meeting were read and approved.

Seymour requested an appropriation by Central Board of $25 for Traditions Board. About $20 of this sum was to pay for cups ordered for the winners of the song contests, and this would leave about $5 for the Track Meet SOS. Since permanent possession of the cup is not awarded until a group has won the song contest three times, Seymour was told to cancel his orders for the cups, if possible, and to return to the next Central Board meeting with a request for an appropriation, based on whether or not he had been able to cancel the orders for the cups.

Virginia Flanagan and LaRue Smith reported on the last meeting of Publications Board and asked Central Board's approval of the purchase of a Speed Graphic camera for the Kaimin and of a similar camera and a coupled range finder and Kalart synchronizer for the Sentinel. The Sentinel camera is to be fully insured for $185, the insurance payments to be a part of the current operating expenses of each successive Sentinel; and the cost of this camera would be written off by yearly depreciation so that each year's Sentinel would bear its share of the purchase price until the cost is taken care of. Carmody moved that Central Board authorize the Sentinel to purchase a Speed Graphic camera to cost not more than $144.14, the money to be taken from the Publications Special Reserve Fund. Pantzer seconded. Motion carried. Carmody moved that Central Board authorize the Kaimin to purchase a Speed Graphic camera with money taken from the Kaimin surplus, the amount not to be more than $98; this appropriation to be subject to the approval of a committee appointed by the president to investigate the condition of the Kaimin Reserve Fund. Singleton seconded. Motion carried. Murphy appointed Singleton, Pantzer, and Chambers to meet with Badgley to investigate the condition of the Kaimin Reserve Fund.

President Simmons, Mr. Teel, Dean DeLoss Smith, Grace Johnson, and Mr. Bischoff were present to answer questions about the union situation regarding the musical show. Although the musical has been called off for this year, it seems advisable to formulate some policy at this time, rather than to just drop the whole thing. After discussion, Shallenberger moved that the president appoint a committee to study the situation and bring in a report of a policy that that committee thinks this body could support and follow. Briggs seconded. Motion carried.
