The meeting was called to order by vice-president June Paulson, who presided. The minutes of the previous meeting were read and approved.

Briggs moved that Central Board postpone action on the purchase of a range finder and a synchronizer and await a recommendation from Publica-tions Board. Chambers seconded. Motion carried.

A letter from the Intercollegiate Music League, Inc., requesting a copy of a Montana State University song to be included in a folio of representative songs of American colleges and universities which they are editing, was read.
