Special Meeting
March 23, 1938

The meeting was called to order by President Peter Murphy, who presided. Minutes of the previous meeting were read and approved.

The purpose of the meeting was to decide what action should be taken regarding special student admission to Interscholastic Trackmeet. Since only 208 students signed the petitions circulated at the end of Winter Quarter indicating that they wished to pay $1.00 with Spring Quarter fees for Interscholastic, the Business office did not feel that it could collect this charge.

It is very important that at least about $700 be collected from the sale of student admissions to Interscholastic. $500 is the amount for the Interscholastic Committee, and about $200 more had been anticipated and set up in the general ASMSU budget for the year.

It was decided that tickets should be printed, and a concentrated drive will have to be made to sell at least 700 of these tickets to students at $1.00 each. A group of about twenty students was decided upon; these students to be called to come to a meeting that night to begin work immediately on this drive.

Adjournment.
