April 5, 1938

The meeting was called to order by President Peter Murphy, who presided. The minutes of the previous meeting were read and approved.

Grace Johnson spoke regarding the Glee Club Trip. The lowest cost at which the trip could be made with the present itinerary is $700. Johnson requested that the trip be underwritten by Central Board for $600; $450 of this amount is available from the Travel Fund. $180 is the estimated receipts of the trip. Of the $150 requested above the $450 from the Travel Fund, only that needed to cover the expenses after all the receipts of the trip had been applied would be used. If this amount cannot be obtained, Miles City and Forsyth would have to be taken off the itinerary. Murphy appointed Hanrahan, Chambers, and Pantzer as a committee to meet with Grace Johnson to attempt to find a way to secure this $150, because Central Board does not have that sum available to appropriate.

Discussion of the matter of a referendum on voluntary ROTC in spring elections. Central Board felt that if such a matter is to be voted on by the students, the student body should be informed on the issue so that the students can go to the polls and express their sincere opinion after having had an opportunity to become acquainted with all the points involved. Hoag, Purvis, and Scott to plan how to bring the arguments for and against voluntary ROTC to the Students' attention and to report back at the next regular meeting.

Report of the committee appointed to study union relations. The policy which this committee has drawn up was discussed and amended by Central Board. The committee was instructed to confer further with the unions on the amended policy.
