ASSERTIVENESS TRAINING MEETING IS OCT. 6

MISSOULA--

An orientation meeting for women interested in taking an assertiveness training course will be held Wednesday, Oct. 6, at the University of Montana. Interested women are invited to attend.

The meeting will be at 7 p.m. Oct. 6 in the Women's Resource Center of the University Center at UM.

Commenting on the upcoming training program, Jane Burnham, who is associated with the Montana Assertiveness Training Collective for Women (MATCW), said assertiveness training aids people in learning to express and identify their needs confidently without being hostile.

Assertiveness training groups, which last five weeks, are led by members of the MATCW.

Additional information may be obtained at the UM Women's Resource Center located on the mall level of the University Center.
