Special Meeting
April 14, 1938

There is a fund of $135 which was raised last fall by a tag sale under the direction of Mortar Board for the purpose of purchasing a picture. Since "The Irish Gipsy", the picture preferred by the students was sold, no picture has been purchased. Yphantis requested permission to use this money to buy frames and cheaper pictures so that a new picture could be shown in the Student Union Lounge each month or so. Central Board felt that this should be referred to Mortar Board, but that the money should be spent as nearly according to its original purpose as is practicable under the circumstances.

Carmody moved that Central Board accept the resignation of John Hanrahan as a student member of Central Board. Shaw seconded. Motion carried.

Due to the vacancy resulting from Hanrahan's resignation, Singleton moved that of the candidates for senior delegate to Central Board, the four candidates receiving the highest number of votes in the primary election become the candidates for the two senior delegates to Central Board in the final elections.
