April 20, 1937

Ray Whitcomb called the meeting to order. The minutes were read and approved.

Dick Brome brought the problem of the Sentinel's publication outside the state in a non-union shop before Central Board. He presented the communication with Mr. Finnegan, Secretary of the State Typographical Union, recommending that the Sentinel be brought back into the state and that a by-law to the ASMSU constitution be passed, stating that all student publications bear the union label in the future.

After discussion, Warden made the motion that the following resolution be adopted and incorporated in the by-laws: In the future, all ASMSU publications shall bear the union label. Carmody made the second. Motion carried.

The Kaimin survey in regard to payments made to editors of other school papers, was presented. Shaw made the motion that Central Board authorize publications board to send a copy of the survey to all schools requesting copies. Vadheim made the second. Motion carried.

Discussion of plans for the incorporation of the student reserve fund. The following committee was appointed to draft preliminary provisions for the incorporation: Warden, Vadheim, Whittinghill, Whitcomb.
