BUSINESS ADVISORY COUNCIL TO  
MEET MAY 13th

The Business Advisory Council of the School of Business Administration at the University of Montana will meet on the Missoula campus May 13, according to Alex Sample, Jr., Kalispell, president of the council.

The advisory council is made up of outstanding businessmen who meet biannually with the faculty of the School of Business Administration. Among the council's objectives are to develop and improve professional education in business administration and to provide a forum at which faculty members and industry representatives can exchange ideas.

The Business Advisory Council was initially formed in 1959 with the intention of bringing the University and the Montana business community closer together.

Sample has been an active member of the council since 1962. He is the chairman of the board and president of the Conrad National Bank of Kalispell.
