President's Club Meeting
April 1, 1935

The meeting was called to order by the Ex-Officio Chairman, Kenneth Duff.

A discussion was held concerning the Rocky Mountain and Pacific Coast Conferences and which would be more advantageous for Montana's University.

A motion was made, seconded, and passed that the University of Montana remain in the Pacific Coast Conference. The advantage of taking this action is that of financial reasons.

It was suggested that a convocation be held on April 18th with the central idea of the students' opposition to war.

Mr. Freeman has consented to speak against war at the convocation as well as R.O.T.C. officer who has also consented to talk. However the problem of someone speaking to uphold the affirmative side of the question of war has not been definitely settled.

It is believed that Dr. Clapp would give the student body an opportunity to hold the Convocation in the afternoon of some day during the week.

A motion was made, seconded, and passed that a convocation be held on April 12th at 2:00 o'clock.

The question of "why not have different speakers" was again presented at this meeting.

An. S.O.S. will be held on Thursday, April 11th. If there is a very good representation of the student body present, Aber Day will be held again this Spring Quarter. The expenses of last year's Aber Day and the expenses of the Desert Song production were discussed in connection with Aber Day.

It was suggested that hard feelings toward a coach must be stopped at this University. It was also mentioned that a Coach is a faculty member and therefore is chosen by the faculty and not the students.

There being no other business, the meeting adjourned.

Secretary, Ex-Officio
