Performance skills:

Performance majors are required to perform in at least one departmental recital each semester. All other majors are required to perform in at least one departmental recital per year.

All Percussion Majors are also required to be in Percussion Ensemble and/or World Percussion Ensemble and one major ensemble (Symphonic Wind Ensemble, etc.). Percussion Ensemble meets the requirement for Chamber Ensemble for the BM and serves as a “lab” for teaching skills developed in the applied studio. Within the various ensembles, students will have leadership opportunities through running sectionals, serving as section leaders and through the Percussion Club (part of Associated Students of UM).

Attendance: Mandatory. More than 2 unexcused absences will result in the lowering of grade by one letter grade. Students must give notice if they cannot attend a lesson. Lessons missed by the student will not be made up unless excused by the instructor. Lessons missed by the instructor will be made up at a time convenient for both parties.

All Percussion Majors are required to attend all percussion-related performances during the school year, i.e. faculty and student recitals, concerts and special guest performances or clinics/masterclasses.

Jury: Every student enrolled in private lessons must perform a jury at the end of the semester. Juries are usually held the first day of Exam Week and sign up sheets are posted on the Brass/Percussion bulletin board one week prior.
