- A notebook for weekly lessons

### **B. Lesson Requirements**

- Attendance is mandatory
- Lessons cancelled due to illness or emergencies must be rescheduled and completed within one week
- If a school function causes a student to miss a lesson a make-up lesson should be scheduled

- There is no other reason to cancel a lesson. *Lack of preparation does is not an acceptable reason for a cancellation.*
- Please email or call Dr. Cavanaugh ahead of time if you must miss a lesson
- Lessons missed without a valid, documented reason will be assigned an “F”
- No more than two make-up lessons will be granted each semester

### C. Practice Expectations

- ***Music performance majors*** are required to practice a minimum of 2 ½ hours per day beyond ensemble practice. An additional 30 minutes minimum should be spent each day on reed making.
- ***All other music majors*** are required to practice a minimum of 1 ½ per day beyond ensemble practice. An additional 30 minutes minimum should be spent each day on reed making.
- ***Music minors and non-majors*** are required to practice 45-60 minutes per day beyond ensemble practice. Reed making expectations will be assigned on an individual basis.

### D. Reed Class/Studio Class

- We will meet as a studio and/or to have reed class each week of the semester. Two hours will be scheduled each week. The focus will be reeds and master classes.

### E. Recital Attendance Requirement

- Music majors are expected to attend recitals in which oboes and bassoons are performing. All majors are required to attend 154 recitals within the 4-year degree plan.
- ***A list of required performances will be handed out at the start of each semester.***

## F. Juries

- At the end of each semester all Music Majors (and minors at the recommendation of Dr. Cavanaugh) will play a jury for the woodwind faculty. ***Preparation for the jury as well as the success of the performance will influence the final semester grade.***
- Juries consist of scales, a prepared selection(s) and sight reading
- The jury is required for all enrolled in the MUSI 195-551 series

## G. Recital Requirements

- All music majors and music minors are required to perform and Upper Division Recital Performance (UDRP) during their sophomore year. This recital will be performed during an Afternoon Recital Time (2:10pm on Tuesdays and Thursdays throughout the year). It will consist of at least two contrasting works. Performance majors must memorize one of the works. The UDRP should be approximately 15-20 minutes in length.
- Junior Recital: required of all performance majors (30-40 minutes of music per student); this recital is shared with another student.
- Senior recital: required of all performance majors; full recital of at least one hour of music.
- Student recital: any music major or minor may give a recital in his/her senior year. Most music education majors perform a half (shared) or full recital. It is not a degree requirement, but is an extremely important part of your own music education.

## H. Grading Policy

- **Each lesson is graded as to:** *preparation of assigned materials, reed quality, improvement, attitude, punctuality and attendance. The semester grade is determined by this criteria and the jury grade, which cannot affect the final grade by more than one letter.*

- **Grading criteria**

**A= HIGHEST LEVEL OF ACHIEVEMENT.** The student has consistently prepared for each lesson, has displayed professionalism, and has made superior progress in all aspects of technique, musicality, and creativity. The student has completed the amount of material the teacher feels is necessary for substantial progress.

**B=EXCELLENT ACHIEVEMENT.** The student has displayed very high levels of preparation and progress, and has completed an acceptable amount of literature.

**C=IMPROVEMENT IS RECOMMENDED.** The student is making some progress, but given reasonable expectations, the student is not working completely to his/her potential.

**D=POOR.** Although a D is considered passing in some areas of study at the University of Montana, it is not considered adequate for a student with professional aspirations in the field of music. Much more practice is recommended and the grade must be brought up in order to remain in the program. Probationary status in the oboe and bassoon studio will be in effect until such progress is made.

**F=Failing.** A student receiving an “F” will not be permitted to remain in the oboe and bassoon studio and a change of major will be advised.
