**AT KLEIN'S BAGELS, COFFEE IS ONLY A DOLLAR
WITH UNLIMITED REFILLS**

The guy with the water glass sees only corners around his glass.
The bent-over man wants change.

We're getting comfortable here, lounge like famous people.

One whole wall is a sofa of us not-famous people.

When I think back to childhood, I remember
sofa tapestry end table lamp —
as if each object were dipped in cleanser, scoured,
then placed back into the picture.

From the table next to me —
“what you're doing is cueing” —
“at the moment, you say, I want one to three to five” —
“you have to figure out which light reaches the eye” —

Famous people shower in light cues.
No matter what I say my family was not famous to ourselves.

Take your time to relax, quite a while and relax, okay now it's
time to relax, re-

And the word *quite?* — *quitus*, unmolested, free, clear,
etc.

But the sun's been quite kind while I wrote this song

—lax.

Eating marshmallows for meat,
the famous never sit in picture windows, only pass them.
Some people can make their strides strobe.

It may be quite simple but now that it's done

Sun shines collar-buckle tongues through the cafe windows
Sun shines bicycle baskets through the windows
Sun shines (it's a strong pane of glass)

Famous people relax their hair, they do it all the time.
