Constitutional Amendments Approved

The two constitutional amendments presented to the student body in the primary election were overwhelmingly approved.

On the question of increasing fees, 736 voted yes; 199, no.

Freshman representation on Central Board was favored 806 to 126.

Jane Jeffers, ASMSU president, said that the date of final campus elections would be set at the next meeting of Central Board.

Dean Announces Largest Group Of ALD Pledges

Ann Albright, Vera Hensrud, Myrtle L. Hammell and Elda Jean Martin were elected president, vice-president, secretary and treasurer, respectively, of Alpha Lambda Delta, sophomore women's scholastic honorary at the formal pledging last night in the Bitterroot room of the Student Union.

Twenty-seven freshman women became eligible for membership by maintaining at least a 2.2 grade index for fall and winter quarters. Transfer students cannot transfer more than 30 quarter credits, according to Dean Mary Elrod Ferguson. This is the largest group ever initiated into Alpha Lambda Delta.

Political Machines Recuperate From Grueling Primary Battles

Anderson, Street, Win Way Into Presidential Finals in Light Aber Day Balloting; Brown, Blair, Hinrichs Lead for ASMSU Offices

MSU political machines took time out to recuperate yesterday, after the grueling primary campaign, which came to an end Aber Day.

This post-primary truce between the various political factions on the campus is not expected to be long-lived, however, as the final election is scheduled for around May 5. A red-hot campaign is anticipated, both sides realizing that primary voting was light, and results shown Wednesday can easily be changed by the expected heavier balloting in the finals.

Jerry Anderson, Helena, carried a good-sized plurality over his nearest rival, Jim Street, Butte, who, in turn, was well ahead of Howard "Chippo" Golder, Missoula, in the crucial ASMSU presidential primary. By running third, Golder was eliminated from consideration in the finals.

In the same manner, Una May Arras, Cut Bank, was eliminated from the vice-presidential ASMSU chase by Tannisse Brown, Missoula, and Lois Sanders, Troy.

In the ASMSU secretary battle, Jo Ann Blair, Missoula, amassed a tremendous majority over the only other primaries' candidate for the post, Alice Anderson, Billings.

Bill Hinrichs, Havre, outdid Tom Eigeman, Missoula, in the race for business manager of next year's administration, but both Hinrichs and Eigeman will compete in the finals.

A real fight is shaping up in the Store Board finals with six candidates vying for the three seats up for election. Each of the candidates showed considerable strength in the primaries.

As in most cases, only two candidates were running for class offices, the Aber Day primaries settled little.

Only important three-way race was settled when Max Sugg, Missoula, and Peg Hanley, Helena, ousted Shirley Sue Brown, Big-

Lecturer Tells Convocation Of Famine

"Within the next three to four months we will witness the greatest mass starvation period in the history of mankind," said George Caracker, New York City, former war correspondent and lecturer, at convocation this morning.

"Between the Russian border and English channel live 300,000,000 people," he said. "Forty million have enough to see them through until November. Of the remainder, one-third might be able to feed themselves. This leaves a balance of 170,000,000, of which 20,000,000 will live via black market, and presents from relatives in the United States."

To combat these conditions, Caracker suggested the following plan for Americans: Save, share, eat less, return to the victory garden.

"The United States and the British have made their final gift to UNRRA," he said, "and no more supplies will be made available after the end of May. Therefore, UNRRA will be on its own. It will need the help of every man, woman and child in the United States."

"No peace can exist in a world when half the people are in the grip of a famine," the speaker warned. "No peace order can expect to succeed if it is to be built on a foundation of misery and want. Disease is already cropping out, and pestilence knows no frontier."

Caracker is at present majoring in sociology and economics here.

John Rolfsen, Missoula, one of MSU's delegates to the recent Northwest Youth Conference in Portland, reported on the meeting.

'Firefly' Opening Promises Hollywood Trimmings; Grow Elected Receptionist

All the trimmings of a Hollywood premier opening will be featured the opening night, May 2, of the operetta, "The Firefly," Robert R. Butzerin, Hamilton, recently appointed chairman for that night, disclosed yesterday.

Lommasson Says:

Vets Must Write VA If Not Attending Summer Session

Veterans not planning on attending summer quarter must write a letter to the Veterans Administration, Fort Harrison, stating that they do not wish to attend MSU during the summer months, Mrs. Emma Lommasson, veterans' adviser, announced yesterday.

This letter, although addressed to the VA in Fort Harrison, must be left at the Office of the Veteran's Education in Main Hall. Veterans who do not write for an interruption of training are in danger of losing their educational benefits.

Veterans transferring to other colleges and universities must inform the veteran's office one week before the end of the quarter, Mrs. Lommasson said.

Golf Club Rejects Low Green Fees For ASMSU

University students will not receive special green fees at the Missoula Country club, Jane Jeffers, ASMSU president, told Central Board Tuesday.

The manager of the club was contacted, Miss Jeffers said, but rejected the request of MSU students for lower golf-course fees.

At Tuesday's meeting, Central Board approved an appropriation of \$50 to the senior class. Hugh McNamer, Shelby, appeared in behalf of the appropriation, which is in addition to the \$10 allotted the class for normal operating expenses.

The food-for-Europe campaign was discussed, and a motion was made to suggest to the administration that a student-faculty committee be appointed to handle a campus drive.

Jerry Anderson, Helena, Jim Street, Butte, and Bob Tabaracci, Black Eagle, were selected to serve as student members of the committee in the event it is approved by President James A. McCain.

AWS Meeting Debates New Point System

AWS officers debated a new "point" system to regulate extra-curricular activities of women students on the campus at their meeting last Monday, Marion Headley, president of the organization, reported yesterday.

The new system, if put into effect, will limit the number of offices a student can hold, thereby giving more people a chance to run in student elections, she said.

While a tier of spotlights play on the front of the theater from 7:45 to 8:15, Joe Gibney, Worden, will act as master of ceremonies, greeting the formally attired guests in a 15-minute broadcast over KGVO, Butzerin disclosed.

Dorothy Grow, Enid, Co-op house, has been elected head receptionist for the operetta by the fraternity houses and South Hall, Dawson Oppenheimer, Butte, publicity manager, announced yesterday.

Chosen from a group of 22 girls submitted by the sororities and women's dormitories, Miss Grow will meet the prominent guests and escort them to their seats, Oppenheimer said.

Orchestra Members

Walt King, Missoula, replaces Les Margetts, Missoula, as Correlli in a recent change of the cast, Oppenheimer said yesterday.

Under the direction of Prof. John Crowder, the orchestra will consist of Howard Stuart, Butte; Dorothy Blegen, Missoula; Mary Davis, Missoula; Virginia Reed, Missoula; Bernise Wright, Missoula; June Pogachar, Klein; Barbara Rounce, Sidney; Vivian Vick, Missoula; Carolyn Nygard, Hobson; Nancy Critelli, Billings; Ken Keyser, Denver; Virginia Young, Billings; Joe Story, Missoula; Ralph Hartsey, Missoula; Norma Daniels, Billings; Jim McGrey, Van Nuys, Calif.; Clarence Bell, Missoula; Dean Vinal, Missoula; Bob Langdon, Missoula; Jack Martin, Great Falls; Irma Walker, Dillon, and Juanda Kilpatrick, Hardin, he said.

Student Seats

Opening night, all main floor seats will be reserved for townspeople, and students will sit in the balcony, Annie Fraser, Billings, business manager, disclosed.

Tickets can be obtained at the Student Union business office for 75 cents and the presentation of the student activity card, Miss Fraser said.

Sigma Delta Chi Pledges Four

Pledged to Sigma Delta Chi, national men's journalism professional, last night were David Martin, Great Falls; Richard Miller, Butte; Tom Bogardus, Milwaukee, and Bob Blair, Staunton, Va.

Kaimin Editor Arnold Rivin, Missoula, and Bob Bennetts, Butte, are the only active members of the organization.

Dick Merritt, Helena, and Jack Risken, Butte, were pledged before their induction into the armed forces. Both returned to the journalism school this year.

The Missing Many

Somebody missed the vote! In Wednesday's election, only 976 votes were cast for the office of ASMSU president—976 out of an enrollment of 1,728. What does it mean?

It means that 752 of us did not do our duty, 752 of us did not deem it worthwhile to "sweat out" the lines at the ballot tables.

Seven hundred fifty-two votes, in an election such as this, could have put in a new candidate or could have easily swung the election one way or another. It's more votes than any single candidate received for any office.

Now the Kaimin is not advocating that anyone vote for a candidates if he feels that candidate is not the man (or woman) for the job. The Kaimin, instead, believes it better not to vote for a questionable candidate or for one with whom he is not acquainted or familiar.

If we don't know any of the candidates for an office, and if we know nothing about any of them, we have no business voting for that particular position.

But, surely there were not 752 of us who know nothing about Anderson, Street, Golder and the 43 others who ran for ASMSU and class offices on Aber Day.

Of course, it may have been the balloting system. Everyone will agree that standing in line is not pleasant. Perhaps if a method were devised whereby class voting lists could be further broken down alphabetically, it would speed the balloting and encourage people to vote.

But 752 of us didn't vote! Seven hundred fifty-two! 752! Think it over.

Meet M'Gee

M'Gee is a newcomer on the campus, but is very interested in the old traditions. He never does anything half-way, so he has started a campaign to get everybody to say "hello."

He has not plastered any signs about the campus. He has not written letters to the editor—he does not like to see his name in print. He has not orated before the student body.

What has M'Gee done? He has made it a point to say "hello" to everyone he meets on Hello Walk, and to all the people he knows anywhere on the campus—and he claims to be meeting people faster now than he has said "hello" to so many of them.

Some do not answer him. We have been guilty of not saying "hello," but we do try to say "hello" to everyone who says it first. M'Gee says that is not enough. He says that if we do not know them today we may know them tomorrow, and a few advance "hello's" are a good investment.

Do you think there is something in what M'Gee says?—Guest editorial by Irene Turli, Brockway.

In the spring a fuller crimson comes upon the robin's breast;
 In the spring the wanton lapwing gets himself another crest.
 In the spring a livelier iris changes on the burnished dove;
 In the spring a young man's fancy lightly turns to thoughts of love.

Former Prof's Book Is Published

"Smoky Mountain Reader," an anthology written by Dr. Ray West Jr., who taught English classes on the campus for the Army Air Corps during the war, has been published by the E. P. Dutton Co., the English department learned this week.

The book contains excerpts by Clyde Murphy, graduate law student, which were taken from the "Frontier," predecessor of the "Mountaineer." There are also short stories by Richard Lake, graduate assistant in English, Jessie Freichler '27, and quotations from Joseph Kinsey Howard's "Montana, High, Wide and Handsome," the English department said.

Club to Sponsor Journalist, Adventurer

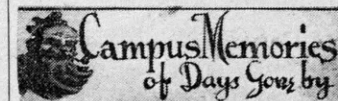

Sullivan C. Richardson, journalist and adventurer, will be sponsored by the International Relations Club when he lectures at MSU next week, announced Bob Notti, Butte, president, at the club's meeting Tuesday night.

"Resolved, that the U. S. should accept the Peron regime" was the issue selected for the next meeting May 7, said Scotty Pfohl, Livingston, program chairman. Dave Martin, Missoula, and Clyde Davis, Billings, will defend the incumbent Argentine government, and A. E. Pedersen Jr., Kalispell, and Glenna Bailey, Warren, Ohio, will argue the negative.

Sherman Hubley, Sidney, will chairmen the next discussion, said Pfohl.

Angeline Boisen, Spokane, and Rella Likes, Paradise, will be on the social committee to provide refreshments for the next meeting, stated Notti.

"Resolved: A continuation of the Franco regime is detrimental to world peace" was discussed at Tuesday's meeting, reported Notti. Art Clowes presented an over-all view of the Spanish situation, after which the opposing panels and club members heatedly discussed the question, which was debated further over coffee cups after the meeting, he said.

BY "DUTCH" HEDINE

Election bets are funny. Well, not all of them but I do remember one that paid off to the Interscholastic track meet committee.

"Squint" Peeden and "Kennie" Duff (two university sprinters of the early '30s) had a rather novel bet on the results of the Aber Day election of 1933. The loser was to roll a peanut along the cinder track in front of the bleachers with his nose. The trackmeet committee realized the publicity value of the episode and "played up" the event as an added attraction for Interscholastic.

At 1 o'clock, on the afternoon of the first day of the meet, Kennie (the winner), armed with a "Bear Paw" paddle, herded "Squint" out on the track and even provided the peanut. "Squint's" nose was of meager proportions, and progress was so slow that the event after holding up the opening parade and progressing a scant 20 yards had to be called off.

Campus Veterans Organize VFW Post

The campus post of the Veterans of Foreign Wars organized and elected temporary officers last night, announced Jim Potter, Great Falls, newly-elected commander.

The next meeting will be held next Wednesday at 8 p.m. in the Silver room of the Student Union, stated Potter. He invited all vets who have served overseas to attend.

After the meeting the VFW discussed veteran organization with the American Veterans Committee, reported Potter.

Any university girl wishing to attend the College Playday banquet, Saturday, May 11, may sign up at the Woodpecker's Haven before May 8. The charge will be \$1.25.

The Health Corner

BY MRS. ALMA STILL

Head Nurse, MSU Health Center

We were glad to read that health found a nook in the editor's column.

Reminding us that health is the first of all liberties, brings to mind what is health?

Health is that condition which renders an individual fit "to live most and serve best." We get as much good out of life only in accordance with the health we have, either mental, physical, or both. Very often we must have lost health, before we find it, or value it. And how true, health is something we cannot buy or often get back once it has been lost. So let us live true to the facts that produce health and not expect to live as we like, and then expect to take a pill or some nicely-colored medicine and regain all we have lost.

Aber Day has tired us physically, but rested us mentally, and after the sunburn is over we should be all set to pick up our study load.

Beware of too sudden exposure to the powerful sun. Rays filter through thin clouds and do severe damage because the victim does not suspect that damage is being done.

Rays from the surface of a body of water increase liability to burn. When extensive, fever develops. Severe sunburn is dangerous.

Expose gradually to sun's rays, increasing length of time each day, or cover with thin clothing. Application of olive oil, or a good burn ointment before exposure is of considerable help. A five per cent solution of tannic acid, allowed to dry, as well as tannic acid jellies, are recommended.

For treatment, Calamine lotion is very soothing, and a wet dressing of Epsom salt solution is excellent in severe cases. The above preventions are also good treatments. The best treatment is "don't get burned."

First Time in History Male in ALD

For the first time in history, a man has been pledged to Alpha Lambda Delta! Or almost, anyway.

When the sophomore women's scholastic honorary submitted its list of eligibles yesterday, the name of Jan Stewart, Anaconda, was included.

Now Stewart, who was last quarter's Kaimin ad manager, may be a woman, but if so, he keeps it cleverly concealed.

Except for the error in gender, the list was meticulously complete. It contained his class, his grades, his grade points, his index, right along with all the other pledges.

As the Kaimin goes to press, Stewart has not been contacted for comment. Our advice: Let 'em pledge you, Jan.

Scholarship List Nominated

Nominations are being made this week for three \$100 journalism scholarships by the faculty of the School of Journalism, Dean James L. C. Ford said Tuesday.

To an outstanding freshman journalist will go the O. S. Warden scholarship, to a journalism major entering the senior year, the Dean Stone award (formerly called the State Press Association award), and to a student of radio news casting, the A. J. Mosby Radio Journalism award.

Names of the scholarship winners will be read at the annual awards convocation this spring.

Over the Fence

BY BILL COONEY

The Clover Bowl has been repaired, thanks to Aber Day, Tom Rosenberger and a few others who assisted him in his work. The improvements in the field made it a top rate diamond with a new mound, back stop, and fill-ins. It's too bad they don't have an Aber Day in the Men's gym.

Louis Hartsell, director of minor sports, tells us that the softball games to date have been fairly erratic, but there is keen competition and much interest is shown in the games. There have been no forfeits to date and the spirit is remarkable.

Darrell Wardien, outstanding athlete for Great Falls High in 1939, '40 and '41, is coming to Montana next fall. Wardien was a triple-threat back on the gridiron and with the additional weight acquired in the service he will be a real asset to the Grizzly squad.

— M —

When Montana high schools come to Missoula for state Inter-scholastic Meet May 18 the standing track records are going to be pushed, if early season marks indicate much. Cindermen throughout the state are "pouring it on," and with a little more seasoning they should press those records.

Two graduates of MSU have been appointed to coach the Missoula High 1946 grid squad. Walter Griffin '26 and William Lazetich '39. Griffin will assume the position of head coach, while Lazetich takes the assistant post. The former is remembered for his great teams at Billings in 1943 and '44. Lazetich was star back for the outstanding Grizzly teams in 1936, '37 and '38. He also held records on the basketball court while with the Bruins.

JayCees Sponsoring Model Plane Meet

The Missoula Junior Chamber of Commerce is sponsoring a model airplane club, the Balsa Bugs, Mr. Sydney Kraabel, chairman of the model airplane committee, has announced.

Everyone, regardless of age, who is interested in model airplanes is invited to join, he said.

Meeting will take place on the first and third Thursday of every month in the Chamber of Commerce building.

A model airplane contest will be sponsored by the JayCees, June 9, at the Missoula County airport. It is not necessary to be a member of the Balsa Bugs to enter the contest, Mr. Kraabel explained.

The contest will be divided into three divisions—scale models, class C gasoline-powered and classes A and B gasoline-powered. Prizes, such as model airplane engines, model plane kits and carving sets will be awarded.

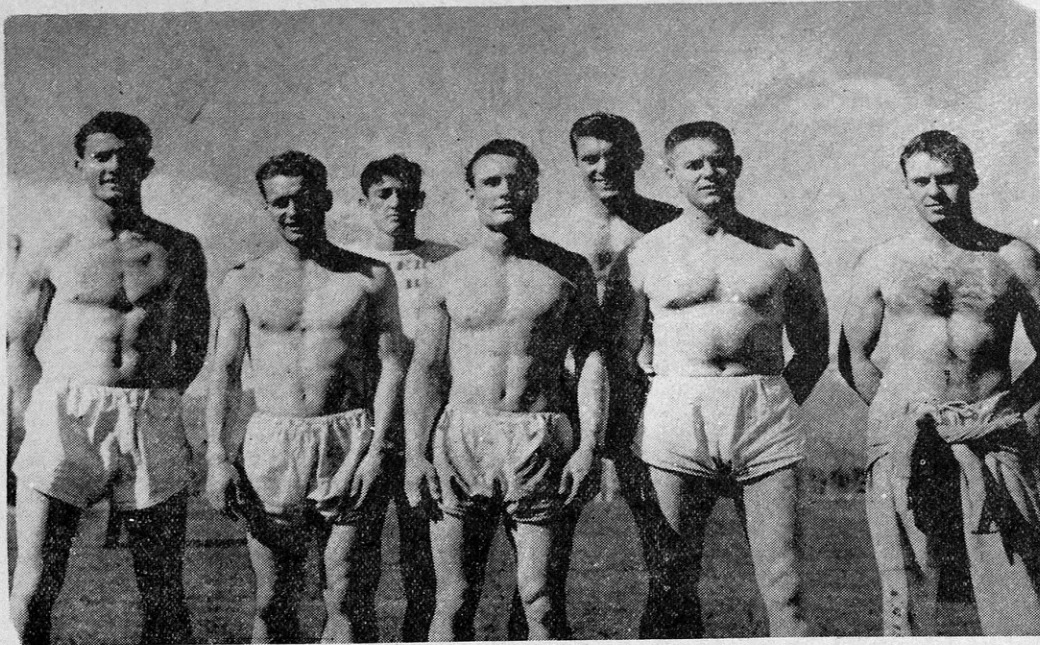

Mayor Dwight Mason and Mr. William Lyon will be the judges of the scale model class. Judges for the gasoline-powered class are Doug Fessenden and Henry Zahn.

Applications for the contest may be obtained at the high school, any of the grade school offices, or the university.

Independents Slaughter SAE's, 22 to 2; Phi Delts Stop Sigma Chi Streak

The Independents moved up in the league standings yesterday when they soundly trounced a weak SAE team, 22-2. Scoring 16 runs in the first two innings and then running the score to 22 in the fifth inning forced the SAE's to automatically lose the game, due to league ruling.

It was a beautiful hurling performance by Tom Rosenberger that enabled the Independents to win by such a huge margin. Aside from pitching one-hit ball the stocky twirler turned in a perfect day at bat, including a fifth-inning clout which traveled nearly 400 feet.

Errors enabled the SAE's to score their two runs which robbed Rosenberger from a shutout.

Phi Delts 15, Sigma Chis 5

A bombardment of hits in the sixth inning by the Phi Delts dropped Sigma Chi from the undefeated ranks. Going into the sixth with a scant two-run lead, PDT exploded with Aune, Moses, Morrison and DeGroot all slapping long blows.

The Sigs battered Willie DeGroot from the box in the second, but Tom Huff was unable to keep the big bats of the Phi Delts silent. Bob Morrison turned in a beautiful relief job, whiffing seven and allowing only three hits.

The Phi Delts' win moved the team into a first place tie with the Sigma Nu's, who have been inactive this week.

Twelve tons of coal fired in a locomotive will haul more than a million pounds of freight from Detroit to New York.

FOR SALE: Tuxedo with shirt, size 40. Call 6961.

Independents, Phi Sigs Win

Holding off an uprising in the last inning with a quick double play, the Phi Sigs came out victorious over the SAEs Tuesday in a slow game.

Dutch Dahmer used perfect control to set down SAE batters and received excellent support in the infield, as his team ran up the count in the early innings. Joe Mariana was outstanding at short-stop and at the plate for the Phi Sigs. Don Peterson, SAE moundsman, had trouble with his control and was hit soundly.

Independents 15, Theta Chi 7

"Mr. Pitcher" Tom Rosenberger used his terrific fast ball and charge of pace to whiff Theta Chi batters and led his team to its initial victory. Danny Bushman poled the ball for the longest hit of the day, when he clouted a homer in the fourth inning.

Tennis Squad Wins First on Forfeit

Montana U's tennis team will not make the trip to Bozeman for the match scheduled there this weekend, according to Dr. J. A. Karlin, tennis coach.

Bozeman has been unable to develop interest in the sport as yet this year and is unable to put a team on the courts, said Karlin, adding that the scheduled match will be counted as a victory for the university through forfeit.

Spring football resumed yesterday after the Aber Day layoff, reports Head Coach Doug Fessenden.

The hunt for a quarterback to operate the T is continuing, the coach revealed. He said that Johnny Holding is showing well at the position in scrimmages.

Judges Named for Writing Contest

Judges for the spring writing contests in Cub Tracks, Mountaineer and open short stories were announced by Dr. H. G. Merriam of the English department yesterday.

Contributions for the Mountaineer's \$8 prize will be judged by Miss Lucia Mirrieles, professor of English, P. W. Payne, and Tom Deene, Emmett, Idaho.

Winner of the \$8 open short story prize will be selected by Dr. R. A. Coleman, C. T. Williams and G. W. Sherman, English instructors.

Dr. J. W. Mackey and Keith Rinehart, English staff members, and Tommie Lou Rush, Missoula, will judge entries for the \$5 Cub Tracks prize, Dr. Merriam said.

All entries in the open short story contest must be left in Library 104 by noon, May 4. The author's real name must appear on the envelope which contains the original and two carbon copies of the double-spaced, typewritten material.

Material containing grammatical errors or poor spelling will not be considered, Merriam said.

Mixer Ends Aber Events

Climaxing the Aber Day holiday, Wednesday, ASMSU sponsored an all-school dance in the Gold room of the Student Union building from eight to 11 o'clock.

A street dance in front of the Kappa house on Gerald avenue had been originally planned but was called off the afternoon of Aber Day.

Dean Vinal's 11-piece orchestra furnished the music for a capacity crowd at the mixer.

As for the morning and afternoon activities, the weather man must have had a secret compact with Aber manager Willie DeGroot, for although the official forecast for Wednesday had promised showers, a cloud was not to be found all day.

The Health Service reported a number of sunburn cases coming to the center yesterday, most of them giving the long High Court proceedings as a reason for the extra exposure to old sol.

Trailer, Pre-Fab Colonists Meet, Discuss Problems

MSU's trailer and pre-fab colonists met Monday night for a roundtable discussion concerning pending improvements.

Possibly the most important topic discussed was a proposed move to organize the colony into a representative body with chosen delegates functioning as representatives. Under this plan the delegates would meet several times a month, discuss problems and relay decisions to the proper university authorities.

Other man topics of the meeting included proposed mail delivery, sidewalk construction, sub-rental of pre-fabs during the summer session and participation in the residence halls Mother's Day open house program.

The representative delegate plan was shelved by a majority vote as was the Mother's Day open house program. The mail delivery situation, which is hampered by lack of sidewalks, also hit a slight snag. T. G. Swearingen, maintenance engineer, reported that the postal officials will not look into this matter further until walkways are provided for the mail carriers.

He continued by saying that sidewalks of oiled gravel would be laid within two weeks and that along with this added improvement a possible lighting system for the village would also be instigated.

"We will furnish grass seed, tooling implements and young trees to further beautify your yards if you wish," he added. He said that trailers and pre-fabs would receive new paint jobs.

A debate took place on the proposal of sub-renting the pre-fabs to other veteran couples during the summer session by the present tenants who plan to temporarily vacate for the summer. The assembly agreed to sub-let to eligibles highest on the priority list and that a three-way agreement would exist between the permanent resident, the sub-renter and the university housing office.

J. B. Gillingham, director of student personnel, stated during this discussion, that when a pre-fab vacancy occurs people in the trailers will get first preference.

A suggestion to inject more ac-

tivity into the Darby and Joan Club met with unanimous approval.

Mrs. Monica B. Swearingen, director of residence halls, thanked the colony for its successful organization and for the active interest the families have taken in the proposed improvements.

Ski Club Plans Picnic Sunday

All Ski Club members and guests who plan to attend the picnic at Montana Power Park Sunday, April 28, are urged to contact Jane Cheadle, Madge Schreiner or Mary Eleanor Redpath as soon as possible, Bill Tremper, president, announced yesterday.

Those attending should meet in front of the Student Union building at 1:30 Sunday.

Mountaineer Needs Poetry, Articles

Agnes Regan, Helena, urged yesterday that more poetry and articles of regional interest be submitted for publication in the spring quarter Mountaineer before the Tuesday deadline.

"Many new names will appear in the magazine," Miss Regan asserted when the staff met this week to read some of the material.

"March 15, the first day of the Interscholastic Meet here, 80 copies will be distributed free in the coke store to the first students asking for them," Miss Regan said.
